B&B Health Services is a leading provider of medical services and products across the United States. We offer medical management and consulting services, as well as a complete line of braces, stimulators, medical devices, prosthetics and PPE from the nation's leading medical sports medicine suppliers. To meet the needs of our customers during COVID-19 we increased our products offering to include a broad assortment of PPE, from gowns & face shields to Masks and Gloves.

At B&B Health Services, our mission is to honor and support the brave men and women who have served our nation. We are dedicated to reducing the number of veteran suicides—currently 22 per day—through innovative technology, advanced solutions, and a commitment to improving the lives of those who have sacrificed so much for our freedom.
