STEPHANIE'S SANTUARY

Wow! For 2025 we were able to get four Police Departments completed and our goal for 2026 is to get six completed!

This program has taken off with so many Police Departments onboard of what we are trying to accomplish...comfort for those victims when they need to report their abuse to law enforcement. We are thankful to the Departments who committed and partnered with the SNPF.

Upcoming and soon completed Police Departments:

Matawan is now open, Woodbridge is in progress, with Old Bridge soon to follow.

COMMUNITY AWARENESS

The 2025 Merit Award was presented to President Ed Parze and Project Manager Maureen Spataro...

We are incredibly honored to share that The Stephanie Nicole Parze Foundation has received the Monmouth County Planning Board's 2025 Merit Award for Stephanie's Sanctuary Program!

On December 15, 2025, Foundation President Ed Parze and Project Manager Maureen Spataro accepted this prestigious award at the Hall of Records Annex in Freehold Borough, NJ.

Stephanie's Sanctuary Program transforms cold, intimidating interview rooms in police departments into warm, comforting, and trauma-informed spaces for victims and survivors of Domestic Violence and Sexual Abuse-providing a safe haven during some of their most difficult moments.

We hope this award inspires more police agencies to partner with us. Our ultimate goal is to place a Stephanie's Sanctuary in every police department throughout New Jersey-and eventually beyond.

A special thank you for the toy donations!

As a result of the generous toy donations by so many of you who stopped by at The Stephanie Nicole Parze Foundation's Santa Drive, Stop & Drop, we were able to brighten up the holidays for so many children in need. SNPF distributed hundreds of toys to several of our fellow advocacy organizations for distribution to the safe houses and shelters throughout New Jersey. SNPF who is committed and partners with all of these organizations, makes our efforts that much stronger because together we all can make a difference.

We thank you all for your continuous support.

The Freehold Boro Police Department PBA was gracious to extend their NO SHAVE NOVEMBER event through December for us and donated \$575.00 towards the Sanctuary project.

In addition, the Jackson and Sayreville Columbiettes and PBA # 575 also contributed over \$2,500.00 towards the Stephanie's Sanctuary project as well.

Thank you to all for believing in our mission.

Stephanie's Law and the Danger Assessment Bills S2050 & S2051

Sadly, no new updates as we are in an election cycle. But please review the current Stephanie's Law and Danger Assessment:

The statement that provided an overview of the bill after it passed committee is here:

Stephanie's Law update: Ed & Courtney met with Senator Vin Gopal and Monmouth County Prosecutor Raymond Santiago to discuss push back to Stephanie's Law (Bill S2050) from the State Coalition against Domestic Violence, Local police departments and some other State and local agencies. It's amazing how these agencies continue to put the abusers first instead of the victims. Prosecutor Santiago is assisting us with trying to find solutions to this push back by communicating with the NJ Prosecutors Association. Hopefully we can find common ground to move the bill forward as fast as possible.

The State Senate passed the Danger (Risk) Assessment Bill S2051 Unanimously with some amendments. We will be forming a committee to fine tune the bill before it goes to the Assembly. This will take a little while and now that the Legislation is on summer break and we have an election pending, it's likely to sit until they are back in session and the elections are over.

The Legislative Assembly is now back in session as of 9/20/2024. Please lobby your local politicians to move forward Bill # S2050 & S2051 Stephanie's Law. We need to get this passed through the States Assembly.

Previously Ed, Maureen Spataro, Courtney Gilmartin, Kelly Sutliff and Alla Kotinsky attended the NJ Senate Judiciary Committee hearing on June 13 to testify on behalf of the two proposed bills. The danger assessment passed with minimal opposition. Stephanie's Law (Bill S2050) was only supposed to come up for discussion, however after the powerful

testimonies from our group, the Senators decided to move the Bill to a vote. Believe it or not there was some opposition testimony as well from the NJ coalition to end Domestic Violence and the Office of the public defender starting in short term that it would make the offender out to be a pariah causing them to not be able to seek employment, housing, other relationships etc.. Again, looking to protect the animals and not the victims. Fortunately, the Senate Committee saw right through that and voted unanimously to pass the bill.

You can hear the entire testimonies by clicking the link below and scrolling to starting point 3:05.37.
