BUS TOURS NOW DEPARTING FROM CEDAR RAPIDS, CORALVILLE, & DAVENPORT, IA

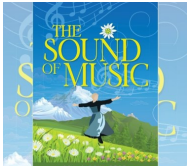

COVID-19 updates

As we continue to navigate everchanging rules and regulations, the new variant is starting to subside. Depending on where your travels take you, there are a lot of restrictions that need to be discussed before traveling. We are hopeful this is temporary and will pass quickly for travel to get better in 2022. We are ready to help you plan your next family outing/vacation! We are equipped to work with you and provide the current COVID-19 regulations and restrictions as we work together to make your trip the best one yet.

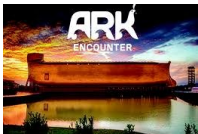

Looking to start out slow in 2022

As many have remained hesitant to travel in 2021, we've been hard at work planning our 2022 season. Although our first tour is not getting the numbers we'd hoped for, we have added this one-day Dinner Theatre tour to work you back into travel slow.

Join us on Wednesday, March 30th as we travel via motorcoach to Fort Atkinson, Wisconsin to see "The Sound of Music" live on stage at Fireside Dinner Theatre! Come experience this amazing venue with LaMere Family Travel! Book your spot today!

More Tours in 2022 are being planned!

We are hard at work with all of our vendors planning a great 2022 travel season. We are planning to travel twice per month from June through December in 2022. Plan your next getaway with us today! We've got many trips available on our website and many more coming soon. Watch our website for the days we post them to reserve your spot! As a reminder, the earlier you reserve your spot, the longer you have to make payments and not have a big hit. All tours require a 15% deposit within 10 days of reservation and final balance due 45 days before departure. If you want to make payments as you go, you are welcome to do so.

Travel Insurance!

In the uncertain times we live in, Travel Insurance is highly recommended regardless of age, and/or health status. Many vendors including airlines have changed their refund policies to protect company cash flow. If you need to cancel or change your trip for any reason, this could be very costly and you could lose a lot of your hard earned money. Although travel insurance isn't right for everyone, everyone should take the time to explore the options. A little extra now could save you thousands later!

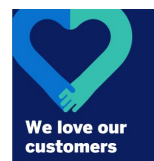

We work with Travelex Insurance Services and are always staying up to speed on the everchanging pandemic. When the Omicron Variant was announced, we received an email from the company that stated the new variant is covered! If you would like to discuss options or learn more, we'd love to hear from you.
