- Wearing a mask over your nose and mouth is required in indoor areas of public transportation hubs and vehicles (including airplanes).
- Do NOT travel if you are sick, tested positive for COVID-19 and haven't ended isolation, had close contact with a person with COVID-19 and haven't ended quarantine, or are waiting for results of a COVID-19 test.
- If you are not up to date with your COVID-19 vaccines and must travel, get tested both before and after your trip.
- Check with your travel agent regarding up to date changes.

In the uncertain times we live in, we partner with Travelex Insurance Services to provide our clients with the best protection out there. The "new normal" we live in has changed so many things and that includes the travel industry. Call us for a quote today!
