Company Updates

As April comes to a close, we'd like to recap the past month of growth.

On April 1st, we moved into our new office space in Coral Ridge Park Office Complex here in Coralville, Iowa. You can find us on the lower level around back in Suite #2.

We've been hard at work finalizing more trips for the upcoming fall and winter as the Covid-19 pandemic shows signs of an end and travel is starting to resume around our great nation!

Check out our "New [Website](#)". We partnered with Townsquare Interactive to rebrand and produce our Internet presence. Maybe you have heard our ad on B100 (99.7 FM) in the Quad Cities area.

A business card for LaMere Family Travel. The card has a blue background with a white fish logo. Text on the card includes: "Travel Planning", "Bus & Group Tours", "Vacations", "Honeymoons", "Family Reunions", "and more". It also lists the address "2461 10th St, Suite #2, Coralville, IA 52241", the phone number "(319) 853-8883", and the website "lamerefamilytravel.com". There is a small image of a globe and a magnifying glass on the left side.

We also signed a 2-year ad campaign with Takeout Times. Our ad will be featured in the takeout menus of 3 local restaurants for the next 2 years. Currently they will be Jonesy's, Pop's BBQ, and Blackstone. All located in Iowa City.

We are currently open by appointment only but hope to resume normal business hours in the near future.

Current Promotion/Sale

Time is running out for us to sell our "America's Birthday in Branson" tour. We are currently offering \$25 off each ticket using promo code "SPRING21" at checkout. If calling to reserve your spot, please mention to receive the discount.

COVID-19 Update

As you all know, the COVID-19 pandemic has been a huge hurdle for those that love to travel as well as our great industry. As restrictions lessen, we want to remind you that we are not completely out of the woods yet. Many places and countries still have strict COVID-19 guidelines and restrictions.

All tours will follow the current guidelines at the time of the tour in compliance to all local, state, federal, and individual vendor regulations, & guidelines.

One tour that could be affected more than the others is our Fall Foliage – New England & Canada 2021. Pending the borders do not open in time, we are prepared to make adjustments to the tour and refund the difference to our clients as their will be a slightly shortened tour staying within the United States with less hotels and cost. We hope you will still sign up for this trip knowing it will still go regardless of the border updates. The tour would still do Niagara Falls from the US side and other attractions en route home.
