UPCOMING BUS TOURS DEPARTING FROM CORALVILLE, IA & DAVENPORT, IA

COVID-19 updates

COVID-19 is an ongoing challenge to our everyday lives. As vaccines become available for some more members of our youth, some people are still hesitant to travel. Travel has turned favorable as people are ready to get back out there. Public Transportation like Planes, Trains, and buses require masks to be worn at all times due to the Presidents signed orders. Charter buses that we use are mostly lax being it is a private group. If you are ready to travel, we can put together a trip to fit your budget and let you know the specifics to the current restrictions.

First Tour of 2022 ready to go

As many have remained hesitant to travel in 2021, we are planning our 2022 season and have this amazing tour set up for St Patrick's Day 2022! Join us March 11th - 21st, 2022 for this VIP Experience down to Savannah, GA. We've got an amazing tour planned including Charleston and Beaufort, South Carolina; Many Islands in the area and a treat waiting for us in Savannah!

Did you know the first St Patrick's Day Parade was held in Savannah back in 1813 and the city has hosted a celebration annually since 1824. When Savannah was founded, it had a significant Irish population. The parade is 2nd largest in the United States after New York City! Come experience this amazing journey with LaMere Family Travel! Book your spot today!

Sad News & Prayer Request!

On Friday, October 22nd, the owner/landlord for our office building was struck and killed on I-35 in New Virginia, IA while assisting with a disabled vehicle after the vehicle struck a deer. Steve was on the shoulder of the road when struck by a motorist that took the shoulder to avoid hitting the disabled vehicle in the travel lane. Steve will be missed and we would like to lift up his legacy and his family in a community prayer during this rough time.

Covered Bridge Tour was a great success!

Our October tour to Parke County Indiana was a great success! We traveled as a small group to enjoy the Covered Bridge Capital of the World as they celebrated with their annual Covered Bridge Festival. Everyone that joined us had a great experience traveling with LaMere Family Travel. They spoke about the great detail and planning that went into the tour. It was very informative and many took advantage of all the amazing vendors spread out around the county. We can't wait to go again next year! We are excited to be traveling together again!
