SCREENING CRITERIA - PAGE 1 OF 2

Applicant(s) are urged to review the screening criteria to determine if the requirements can be met. If any applicant needs assistance in the application process, please advise the landlord. A valid explanation for any divergence from the requirements may be considered by the landlord if documentation or written explanation is provided by the applicant(s). Failure to meet the screening criteria may be grounds for (1) the denial of the application, or (2) the requirement of a co-signer who will also be required to meet the screening criteria, and/or (3) the requirement of an additional security deposit(s). Any information found to be false, incomplete or inaccurate may result in the denial of the application and/or subsequent termination of tenancy.

Applications are taken on a first come, first served basis (must include applicant screening charge). Each applicant (any person 18 years of age or over) must fill out a separate application and provide \$65 (\$10 for units located in Eugene) each for the applicant screening charge. Paid applications for all parties must be received within 24 hours of the initial paid application. All requested information and documentation must be received within 2 business days of application.
