

# CONSERVATION SAFARIS That Go Beyond the Game Drive

**7 NIGHTS | 2026**

**3 NIGHTS PUNGWE SAFARI CAMP | 3 NIGHTS BAOBAB RIDGE**

## ITINERARY

### *Safari Plan*

#### **Day 1: City Lodge OR Tambo Airport Hotel**

Arrive off your international flight and check in at the City Lodge Airport Hotel for your overnight stay.

#### **Day 2: Pungwe Safari Camp**

Board your scheduled regional flight to the safari hub of Hoedspruit. Settle into this rustic 4-tent camp deep in unfenced wilderness. Track wildlife with telemetry, clear snares, collar a hyena for research. Fireside talks with wildlife vet's who offer insight into real-world efforts. No gimmicks just raw, ethical safari.

#### **Day 5: Baobab Ridge**

Road transfer to this elegant lodge in the Klaserie, known for its wildlife density and privacy. Visit the Klaserie Kg Unit to witness how trained dogs are reshaping anti-poaching tactics. Experience active field demonstrations

#### **Day 8: Departure**

Morning game drive and checkout, road transfer to Eastgate airport for scheduled Flight back to OR Tambo International Airport- onward flight home.

## OUR MISSION

### *Active participation*

#### **What Makes our Conservation Safaris Different ?**

These safaris are ethical, immersive, and hands-on.

You won't find petting zoo's or manufactured experiences here. Instead, you'll find wildlife tracked by telemetry, snare lines cleared at dawn, collar a hyena for research. Real conversations with researchers that change the way you see Africa.

## PROTECTING AFRICA'S WILDLIFE

### What can you expect from a Conservation Safari?

Direct Access to Vets, Researchers and Conservation Experts who are at the forefront of research and conservation.

Explore unique wilderness regions and play a part in the restoration of eco-systems and protecting the species that call these spaces home.

Leave a lasting legacy, the funds from your safari have a direct impact on conservation - the best part is you get to experience it first hand.

## “ Next Level..

*Our Hyena collaring morning is sure to stay with us forever!*

*Initially I was sceptical, however after Martin explained why, it is necessary and that it is not the only solution.*

*I felt so much better about helping protect this misunderstood species.*

*If you want a real conservation experience and insight book on a Conservation Safari.*
