FCA IMPACT story

LAUREN WEYRAUCH
TEACHER AND COACH
LUTIE SCHOOL DISTRICT

My name is Lauren Weyrauch, I am the K-12 Art teacher and high school cheerleading coach for the Lutie School District in Theodosia. This is my first year as the FCA sponsor. This new role has been such a blessing to me; God has made me more bold and courageous in sharing my faith. Before, it wasn't that I didn't want to share, but I felt like I just never knew where the line was between being a public school teacher and an FCA volunteer. Being in the leadership role, I think students have now come to expect that I am going to share my faith more openly during appropriate times and interactions within the school. It has also been such a blessing that students are now comfortable to ask me questions of faith and to request prayer needs from me. The kids I teach are my ministry and being able to see that play out, by the goodness of God, has helped so much to understand the impact that is being made by students and by me within our school community. I have a wonderful group of students that come together with respect for each other for the word of God. My favorite part of our meetings is helping to prepare a message that is applicable to their lives at that time. I love working with the kids to build up leadership skills, confidence in faith, and the courage to share what Jesus has done for them.

MIA GRAY
DORA HIGH SCHOOL

How has FCA impacted my life? It has built the foundation of my faith. It is a positive impression that I will carry with me throughout my life. I have gained faith over four years of high school. My faith is eternal, and it is because of our FCA chapter at Dora. I could not be more thankful for my FCA chapter.

When FCA started, I had just begun to explore Christianity. I had grown up not going to church. When I began my freshman year, I was interested. FCA was my first experience getting to know the Lord, it was the kickstart to my faith. It gave me an environment where I could comfortably ask questions and learn how to grow my faith. Through devotions, I got to gain the understanding to become passionate about Christ.

FCA has impacted me significantly. Our chapter has been a blessing. It allowed me to grow confidence as a Christian and gain friends who are also Christian. Because of our chapter, my faith has grown very strong.

FCA has also impacted me as an athlete.

Our FCA passion spilled over into Cross Country. We devoted everything to the Lord for His glory. I thank God for giving me a community that was so open about loving God. It helped me surround myself with those who would push me to be a better Christian.

I genuinely believe FCA is a gift from God. FCA started my faith, I cannot be more thankful that our chapter was started. It has built my relationship with God, FCA was the building block for something eternal.

The impact is an understatement for what FCA has done for me.

It is helping me to become who God made me to be.
