

GREETINGS!

This semester is going so quick! What a blessing it has been to see FCA continue to flourish within our school campuses. New ministry opportunities continue to open up for FCA and we are excited to support and help these ministries get started. We know that continuing to be intentional with the ministry will provide the best opportunity for FCA to grow and be fruitful.

FCA **IMPACT** *story*

"What then is Apollos? What is Paul? They are servants through whom you believed, and each has the role the Lord has given. I planted, Apollos watered, but God gave the growth. So, then, neither the one who plants nor the one who waters is anything, but only God who gives the growth. Now he who plants and he who waters are one, and each will receive his own reward according to his own labor. For we are God's coworkers. You are God's field, God's building." 1 Corinthians 3:5-9

We always appreciate the support and prayers from everyone. Thank you for running along side us as we share the Gospel of Jesus Christ. God bless you!

BENJAMIN WILLIAMS
SENIOR
MANSFIELD HIGH SCHOOL

My name is Benjamin Williams, and I am a senior at Mansfield High School. I have been involved in FCA for the past four years. Being a part of FCA has given me an outlet to come together with other athletes who want to know God personally and prioritize Him in their lives. Over the years, FCA has shaped not only the way I compete, but the way I live. I have been blessed with the opportunity to teach and lead within FCA, helping point other students and athletes to Jesus. Stepping into leadership has strengthened my own faith and challenged me to be bold in sharing the Gospel. Through high school, I have participated in three years of basketball, three years of cross country, and one year of track. Competing in these sports has taught me discipline, perseverance, and teamwork. However, FCA has taught me something even greater: to put God first in sports and in every area of my life. One of the most impactful parts of FCA has been praying with teammates before games, hosting student-led meetings, and seeing other athletes grow in their faith. Watching teammates become more confident in sharing their beliefs and living them out has been incredibly rewarding. FCA has created a culture where faith and athletics go hand in hand. Overall, FCA has been one of the greatest blessings of my high school experience. I am grateful for the opportunity to have been both a participant and a leader, and I hope to continue putting God first in everything I do.

HANNAH CAMPBELL
COACH/TEACHER
MANSFIELD HIGH SCHOOL

This is my first year having the opportunity to lead the FCA huddle at Mansfield High School. I was the huddle leader at Camdenton middle school for two years but this is my first year leading a huddle at the high school level. When I first found out I would be leading a group of students, I felt "unqualified" but quickly realized the enemy was trying to get in the way of what God had in store. This year has been nothing short of amazing watching a group of 30+ students show up weekly eager to grow closer to the Lord. God has shown up each week, praying for the students who walk through the door of my classroom.

As a high school student athlete, FCA had a huge impact on my walk with Christ. It was how the teams I was a part of stayed grounded on and off the floor. I am excited to continue to lead this group of students, grow our huddle, and host events that allow students and members of our community to hear the gospel in the years to come. The Lord has not only been working in the lives of our students, but my heart has been touched listening to these students share the gospel and be a light in the hallways of Mansfield High School.
