## PLEASE JOIN ME IN PRAYER ...

A reading from the Holy Gospel according to Matthew 7:24:27.

"Everyone who listens to these words of mine and acts on them will be like a wise man who built his house on the rock. The rain fell, the floods came, and the winds blew and buffeted the house. But it did not collapse; it had been set solidly on rock. And everyone who listens to these words of mine but does not act on them will be like a fool who built his house on sand. The rain fell, the floods came, and the winds blew and buffeted the house. And it collapsed and was completely ruined."

## Let us pray:

O God,

We ask you to send your Holy Spirit

to guide us in discerning for dedicated men and women to our community's leadership.

We desire to listen to your words and act on them like the Blessed Virgin Mary.

We are a parish that wants to do your will and carry out the mission Jesus entrusted to us.

Please help us find the men and women who will work as a team with the various ministry leaders and guide us in our mission.

We need men and women who will listen to the wisdom of the spirit and the needs of the parishioners of the Co-Cathedral of St.

Theresa Church.

We need men and women who are open to others' ideas and who will work to bring us all together in unity as brothers and sisters in Christ.

We need men and women who have a great love for you and the parish.

Continue to bless our parish so we can be a people filled with joy and faith as we live out our all to follow your Son, our Lord Jesus Christ.

Through the intercession of St. Theresa of the Child Jesus, grant this through Christ, our Lord.

Amen.

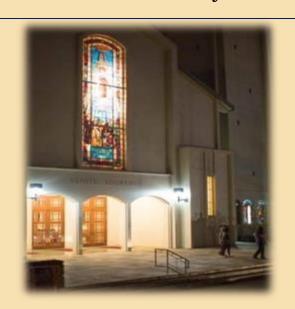

### INTRODUCTION BY CYNTHIA CHING

The story of St. Theresa Parish's inception of 1927 from a wooden structure to what it is now, a

"Co-Cathedral" is remarkable as well as inspirational.

From the very beginning, the church was built from the hard work of the committed new arrivals and continuing committed arriving clergy, church leaders, and parishioners.

Thus, we are blessed next year with the Parish celebrating its ninety anniversary.

To gain an insight into the Parish's remarkable and inspirational story from humble beginnings to a "Co-Cathedral", we invite you to meet and talk to many of our long-

time sage parishioners who can give you the unwritten account of the remarkable and inspirational story.

They can tell you about parish life and what had occurred when they were parishioners a long time ago.

## INTRODUCTION continued

They can reminisce about our numerous church fundraisers and the real behind the scene stories of our loving and supportive community efforts.

Accounts of the many fundraisers such as our huli huli chicken sales, luau, church-school fair, fish fry, and bake sales highlight the humor, love, camaraderie, diversity and sharing of many of our parishioners' unique gifts and talents as well as challenges of parish life.

As you walk through the Church the love and care of our many past, present Pastor and parishioners for the Lord's Temple can be seen in the carefully chosen marble that was used in the construction our church, the four bells specifically named for the Lord's chosen Saints ring soundly on Sundays and other noted occasions and many other visible ear markings.

## INTRODUCTION continued

You can see beautiful illuminated stain glass windows as the sun filters in our church. Names of former parishioners and parishioners who donated money are inscribed on the pews and holy water font. The present restrooms built by some of our parishioners, some who are living and faithfully attend mass represents a sharing of our Parishioners' gifts and talents.

Our long-time sage parishioners can tell you many more stories about how the Lord has challenged and blessed our Parish Family.

I invite you to go out and meet and talk with them. History is known to be oral as well as written.

Dann Ebina will now be presenting a brief history of our Parish.

Notes

## CHARISM OF OUR PARISH

Our mission here at the Co-Cathedral of St. Theresa sums up what we do and what we are striving to do as a community of faith. Working as a community is challenging, with opposing views, or misunderstandings, etc. but it is that very challenge that inspires us to keep working at it. There is an underlying sense of motivation that captivates us in the sharing of our time, and efforts that ultimately leads to an understanding of each other.

# HISTORICAL OVERVIEW OF PARISH MINISTRIES by Nita Ayag

"Vatican II in 1965- included a "Decree on the Apostolate of Lay people." It made mention of the 'Indispensable role of the laity in the church mission'. In the Church Encyclical, on the Mystical Body of Christ, it says that all members of the church are called upon to cooperate in 'Building up and perfecting the Body of Christ.

Pope Pius XII at The World Congress of the Lay Apostolate emphasized the importance of personal participation by the Laity in the organization and successful execution of many projects in the Religious, social and cultural fields of the church. (1951,1955)

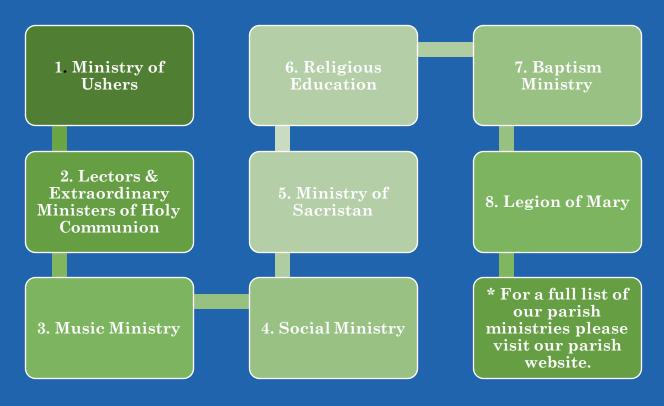

In 1965, After the US Congress passed the Immigration and Nationality Act, immigrants most especially from the Philippines arrived in Hawaii. Most settled within the Kalihi-Palama district.

Our Parish saw a significant increase in church attendance, as well as St. Theresa's school enrollment."

## PARISH MINISTRIES continued

Msgr. Benedict Vierra,
Pastor of the parish, and Fr.
Colin Correa, started
training Lay Ministers.

All ministers of the parish are encouraged to have a prayerful life and to have a deeper relationship with God. We have a diverse group of ministers who are bilingual and bicultural.

NOTES

## ELEMENTS OF A PARISH PASTORAL COUNCIL cont.

#### Structure of the Parish Pastoral Council

• The Parish Pastoral Council is vital for building the parish as a living Christian community. Due to its vitality, the structure of this council is collaborative in nature, prayer, spirit, mind, and action.

There is a profound unity involved amongst the members of the council, the parish staff, members of the ministries, and clergy especially with the Pastor.

· Maintaining healthy relations between all involved members and ministries is crucial for this structure to work.

Therefore, God, in his three divine persons, Father, Son and Holy Spirit, is at the center and the moving force of the structure for the Parish Pastoral Council.
