It is the policy of the Catholic Diocese of Honolulu that all tuition payments be processed through FACTS Tuition Management Program. It is a tuition management service most widely used by private and faith-based schools nationwide. It is **MANDATORY** that all families sign up online when registering. FACTS is a tuition payment plan that will automatically withdraw tuition payments and other school wide expenses from a checking or savings account. You have the option to use a credit card through FACTS but understand that there will be a service fee of 2.95% (current info available) for each credit card transaction for each scheduled monthly payment. MasterCard, American Express, Discover and Visa is accepted.

\*Note – FACTS will be charging a once a year enrollment fee once your agreement is finalized. Charge amount ranges from \$10 – \$45 depending on type of payment plan that you have chosen. *Peace of Mind* (optional benefit) is \$22.50. Anyone enrolled in *Peace of Mind* in the previous term, would be re-enrolled for the upcoming term as well.

There are 4 payment options with FACTS:

- 1) Tuition may be paid in full 30 days prior beginning of the school year. Although, if planning to pay tuition in full it is still mandatory that every family be enrolled with FACTS.
- 2) Semi-Annually (twice per year), August & December. Choice of either the 5<sup>th</sup> or 20<sup>th</sup> day of the month in which payment will be automatically deducted from your account.
- 3) 10 monthly payments from August – May. Also, choice of either the 5<sup>th</sup> or 20<sup>th</sup> day of the month.
- 4) Bi-Monthly (twice a month) to be deducted on the 5<sup>th</sup> and the 20<sup>th</sup> day of the month.

In July, you will receive confirmation from FACTS via your email address provided or correspondence by postal mail that your agreement has been finalized. Information regarding automatic deduction amounts and due dates will be provided.
