

NAFDMA Scholarship Fund Application

The purpose of the NAFDMA Scholarship fund is to provide assistance to those who would benefit from attendance at a NAFDMA event. It is not limited to current members, but to take advantage of the scholarship, the recipient must become a member of NAFDMA before applying for scholarship funding.

NAFDMA events which are eligible for scholarship opportunities include the Agritourism Learning Retreat, Agritourism Farm Tour, and the Annual Convention. Only events located in North America are eligible for the scholarship.

A scholarship will cover 50% of the event registration fee. Funds will be directed to the NAFDMA registration fee for the event and will not be given directly to the recipient. Only one member from any given business is eligible for assistance.
