

MED RX POLICY

- POLICY:** Rituximab Products Med Rx Policy
- Riabni™ (rituximab-arrx intravenous infusion – Amgen)
 - Rituxan® (rituximab intravenous infusion – Genentech)
 - Rituxan Hycela™ (rituximab and hyaluronidase human subcutaneous injection – Biogen and Genentech/Roche)
 - Ruxience™ (rituximab-pvvr intravenous infusion – Pfizer)
 - Truxima® (rituximab-abbs intravenous infusion – Celltrion/Teva)

REVIEW DATE: 03/01/2023

OVERVIEW

Rituximab products are CD20-directed cytolytic antibodies.¹⁻⁵ The antigen CD20 is expressed on > 90% of B-cell non-Hodgkin's lymphomas (NHLs). B-cells are also thought to play a role in the pathogenesis of rheumatoid arthritis (RA) and associated chronic synovitis.

Riabni, Ruxience, and Truxima are approved as biosimilars to Rituxan intravenous, indicating no clinically meaningful differences in safety and effectiveness and the same mechanism of action, route of administration, dosage form, and strength as Rituxan intravenous. However, minor differences in clinically inactive components are allowed. At this time, only biosimilarity has been established, not interchangeability. Rituxan Hycela is a combination of rituximab and hyaluronidase human for subcutaneous administration. It contains the identical molecular antibody of rituximab available in Rituxan intravenous with hyaluronidase added to facilitate systemic delivery.

POLICY STATEMENT

This Med Rx program has been developed to encourage the use of Preferred Products. For all medications (Preferred and Non-Preferred), the patient is required to meet the respective standard *Utilization Management Medical Policy* criteria. This program also directs the patient to try at least one Preferred Product prior to the approval of a Non-Preferred Product. Requests for Non-Preferred Products will also be reviewed using the exception criteria (below). All approvals are provided for the duration noted in the respective standard *Utilization Management Medical Policy*.

Automation: None.

Preferred Product: Ruxience, Truxima
Non-Preferred Products: Riabni, Rituxan Hycela, Rituxan
