Nursery opens at 8am and we close at 6pm. The morning session starts at 8am and finishes at 1pm. Afternoon sessions start at 1.30pm and end at 6pm. We would ask parents to arrive a little before the end of the session in order for us to give you feedback. You can drop off and collect your child at any time you like during the session times.

Morning and afternoon sessions are only available to existing clients as extra sessions, subject to availability.

Fees are reviewed regularly. You will be advised of any increases in the Newsletters.
