## **IMPORTANT INFORMATION FOR ALL MEMBERS**

### **DRESS REQUIREMENTS**

The standard of dress required on the course for Golf competitions is largely left to the good taste of the players, however, for guidance, should be neat and presentable at all times.

Examples of unacceptable attire include:

Soiled, ripped or torn clothing; beachwear including board shorts; football jumpers, socks or shorts; tracksuit pants and golf shoes with metal spikes.

### **STANDARDS OF PLAYER CONDUCT**

All players should acquaint themselves with Rule 1.2 of the Rules of Golf which deals with Standards of Player Conduct. The following is a précis of some of the more important guidelines;

1. Players should always show consideration for other players on the course and should not disturb their play by moving, talking or making unnecessary noise.
2. Players should not stand close to or directly behind the ball, or directly behind the hole, when a player is about to play.
3. Players should not play until the players in front are out of range.
4. Players should play at a good pace. It is a group responsibility to keep up with the group in front. If your group loses a clear hole and is delaying the group behind, you should invite the group behind to play through, irrespective of the number of players in that group. Where a group has not lost a clear hole, but it is apparent that the group behind can play faster, it should invite the faster moving group to play through.
5. If a player believes his ball may be lost outside of a Red Penalty Area or is out of bounds, to save time, he should play a provisional ball. Players searching for a ball should signal the players in the group behind them to play through as soon as it becomes apparent that the ball will not be easily found.
6. Before leaving a bunker, players should carefully fill up and smooth all holes and footprints made by them and any nearby made by others. Bunker rakes should be left in the flat of the bunker with the handle pointing generally in the line of play.
7. Players should carefully repair any divot holes made by them and any

---

damage to the putting green, (whether or not made by the player himself).

## **GENERAL CONDITIONS OF COMPETITIONS**

The Match Committee reserves the right to change/alter any date, cancel or vary any competition.

Any protest in connection with any competition or match shall be made in writing to the Match Committee immediately on completion of such competition. Such protest shall be dealt with by the Match Committee as soon as possible.

Competitions shall have the right of the course at all times.

All competitions shall commence on the 1<sup>st</sup> tee unless otherwise directed by the Professional or the Match Committee.

## **RETURN OF SCORE CARDS.**

Scores will be entered using MiScore. If players are using a card, they should ensure that they and their marker have agreed the score prior to entering the score in the computer.

Ensure your phone is on silent and calls should not be accepted unless you have a need and have advised your group prior to start of play.

---

## **CONDITIONS OF PLAY - GENERAL**

If unsure about the format or conditions of play in a competition, please ask the Club Professional or Pro Shop starter on the day of the competition. Special formats such as Foursomes, Ambrose or Irish variations of conditions of play will be made available to players prior to teeing off on the day.

All Players are also urged to check local rules and conditions posted in the Pro Shop prior to commencing play as these rules and conditions can change from day to day, depending on a variety of factors affecting course playability.
