Dear Dori,

On behalf of the American Bar Association, I am pleased to appoint you as a member of the Standing Committee on Law Library of Congress Advisory for a one-year term commencing with the adjournment of the 2013 Annual Meeting. The staff liaison will be Amy Horton-Newell. Thank you for sharing your time, energy, and talents to further the goals of our Association.

Together, we will address issues of great importance to our profession, our Association and the public. I realize that it is increasingly difficult to spare the time that you have always devoted to the ABA and your profession. I am most appreciative of that commitment and know you recognize that the needs of the profession and the public are even more significant now. Thank you for assuming the responsibility of helping to meet those needs.

To accept or decline this appointment, please complete and promptly return the enclosed form via fax to 312-988-5100. If you are not a member of the ABA, please visit http://www.americanbar.org/join to complete an on-line application. The ABA Red Book, which will contain all of the relevant contact information, will be going to print soon. If you have any questions, please email Beverly Curd at beverly.curd@americanbar.org or call her at 312-988-5133.

Sincerely,

James R. Silkenat
