

ABOUT LUMINATO FESTIVAL TORONTO

Luminato Festival Toronto is a multi-arts festival that celebrates the energy of the city and connects people through memorable art experiences. Every June, our festival transforms Toronto into a playground of art, creativity and conversation.

Luminato showcases exceptional Canadian and international art and artists. We push the boundaries of what art is, who it is for, and where it can happen, tearing down barriers between art and people.

Rooted in Toronto, we welcome the world, and invite those who live and visit here to experience the city in new and exciting ways.

LAND ACKNOWLEDGEMENT

The land we gather on is the traditional territory of the Mississaugas of the Credit, the Chippewa, the Anishinaabeg, the Haudenosaunee Confederacy, the Wendat Confederacy, and many other Indigenous peoples, both known and unknown. This territory is subject to Treaty 13 and the Dish With One Spoon Wampum Belt Covenant and is home to many First Nations, Inuit and Metis peoples from across Turtle Island.

Luminato acknowledges our responsibilities to these territorial agreements and to peaceably share and care for the resources of this land while aspiring to embody the treaties through our actions, our relationship-building, and our programs.
