SQUASH EASTERN CODE OF CONDUCT

Purpose

The purpose of this Code of Conduct is to encourage the fair, ethical treatment of all persons when participating in activities that come under the umbrella of Squash Eastern Incorporated (SE).

Application

All persons participating in squash activities organised by SE or affiliate members of SE (squash clubs) must participate in accordance with this Code of Conduct. By participating in any capacity (such as by playing, officiating, spectating, managing or coaching), they acknowledge that any breach of the Code of Conduct may render them liable to disciplinary action by SE in accordance with the SE Complaints Process.

THE CODE

1. How to treat others

- Respect the rights, dignity and worth of others in your words and actions.
- Be courteous and do not use profane language.
- Be fair, considerate and honest with others.
- Mistakes and lapses of judgment happen – acknowledge and rectify them by apologising and refraining from further incidents.
- No-one is perfect: accept apologies and do not harbor grudges.
- Respect others' belongings.

2. How to perform duties

- Do not abuse squash systems, processes or conventions to create unfair advantage or disadvantage.
- Adhere to conditions of participation in an event or series of events, including representative squads.
- Give reasonable notice where you cannot meet your obligations or are at risk of not meeting your obligations.
- Do not demand favourable treatment.
- Be consistently punctual.
- At playing venues do not damage, litter or waste resources.

3. Additional requirements applying to match play situations (players, officials, spectators)

- Always make your best effort to win: never throw a match for any reason.
- Do not create unfair advantage or unfair disadvantage for anyone, where "unfair" means any activity other than legitimate strategy or tactics while the ball is in play.
- Observe the rules of the game.
- Abide by officials' decisions and directions.
- Never argue with or verbally or physically abuse a player, spectator or official, whether intentionally or recklessly.
- Courteously acknowledge participation of your opponent and match officials at the end of a match.
- Defuse unhealthy tension; do not exacerbate it.
- Always be impartial when refereeing.
- Do not denigrate the skill of a player while spectating.

4. Additional requirements applying to treatment of vulnerable persons

- In dealings with children or vulnerable persons, act in a manner that encourages or promotes their enjoyment and participation in squash, not that of you or other adults.
- Never force children or vulnerable persons to participate.
- Never ridicule or yell at a child or vulnerable person for making a mistake or losing a competition.
- Encourage children to respect other players and officials and on-court rulings.
- Never take advantage of a position of authority in squash activities to abuse a child or vulnerable person in any way.

5. Incident reporting

If you feel that someone has breached this Code of Conduct in any way and the matter has not been resolved, please contact the relevant Club (if the incident related to an activity at a particular Club) or the Squash Eastern Administrator (admin@squasheastern.co.nz)
