BASIC CATERING

Our Basic Catering option makes it easy to enjoy your favorite Chubby Baker treats! Simply schedule a pickup at any of our locations during regular business hours.

Need it delivered? We got you—just note that there’s an extra delivery fee based on how far your event is from our shop. Send over your address, and we’ll get you a custom quote right away.

You only pay for the donuts you order—no extra fees for labor or setup. A minimum of 6 dozen donuts is required for this package. You can check out our current donut flavors at www.chubby-baker.com/menu.

All catering orders come neatly packed in our catering boxes—this is included in the price. Want each donut individually boxed? We’re happy to do that for an additional fee.
