- A. Approve December 2023 bills (Quickbooks register and purchasing card transaction detail): Commissioners reviewed the December 2023 bills. Commissioner Henke moved to approve the December 2023 bills, seconded by Commissioner Smith. Commissioner Grode inquired about the security deposit check refund on December 15, 2023 in the Quickbooks register for \$200, as this was a tenant transfer from one

apartment building to another. Mary stated that since the transfer occurred between two different programs, the refund is necessary to close out the tenant's account under the Public Housing program, and the tenant would issue a new security deposit for Huntington House LLC. All aye votes.

6. EXECUTIVE DIRECTOR'S REPORT

- A. Public Housing Occupancy: Mary reported that there is one vacancy at Parkview due to a tenant moving into assisted living. This vacancy has been filled off the waiting list with a move-in date of January 31, 2024. There will be another upcoming vacancy due to a transfer from Parkview to Tenth Avenue apartments. The 2021 grant has a zero balance in operations and \$13,318.49 in general capital activities for appliances, concrete repairs, in unit floor repairs/replacement, and automatic door opener repairs/replacement. - F. Annual Parkview flood insurance renewal: Mary reported that the annual FEMA flood insurance renewal payment was made for the amount of \$6,746. It is anticipated that coverage rates may increase as FEMA's National Flood Insurance Program has requested an updated building cost value, as the current \$250,000 building coverage is no longer adequate. She has been in contact with the city assessor to request for documentation that can be provided to FEMA for re-evaluation of coverage amounts.
- G. Audit Proposals: Commissioners reviewed the two audit proposals received from Collins & Associate and Cavanaugh & Company for the 2024-2026 CY's. Mary reported that Collins & Associates proposal came in \$12,050 lower than Cavanaugh & Company. She stated that one of the primary reasons that Cavanaugh & Company's proposal came in higher was due the amount of additional administrative work that it would take to in establishing the housing authority as a new customer. In addition, once established there would be a 3-5% increase per year, which would drive up the costs for the following two audit years. Commissioner Henke moved to approve the audit proposal from Collins & Associates, S.C., seconded by Commissioner Smith. Commissioner Henke stated that it would make sense to stay with Collins & Associates to keep costs low. All aye votes.
- H. Rental Assistance Demonstration (RAD) Portfolio CHAP update: Mary reported that the housing authority has requested to withdraw its RAD CHAP Portfolio award, and if in the future the housing authority decides to pursue RAD again, another application can be submitted.

Commissioner Henke moved to approve Resolution 2024_1 Housing Choice Voucher Administrative Plan, seconded by Commissioner Helmer. Mary reported that the changes to the Administrative Plan are related to the addition of Chapter 19 for special purpose vouchers. The added chapter will allow the housing authority to work with Wood County Human Services in providing Foster Youth to Independence (FYI) vouchers for those youth who are aging out of the foster system. All aye votes.

- 8. **PUBLIC INPUT:** Commissioner Reith-Kincaid inquired about the two white chairs at Huntington House apartments that were added to the bench at the first bend of the east corridor. She stated that the chair is in a location that makes it difficult to get a cart around the corner, and recommended that if the chairs could replace the current laundry room chairs. Mary stated that the chairs were purchased during the renovations, and she will further investigate the situation.

Commissioner Reith-Kincaid also stated that there are places throughout the corridor where strands of carpet are coming up, and if there was a way to resolve this from occurring. Commissioner Henke stated that the sublayer beneath the carpet is more than likely breaking down and causing this to happen. Mary stated that she would talk with the caretaker to have these strands cut, to prevent tripping hazards. Commissioner Reith-Kincaid inquired about getting an outlet in the common area that could be tied into the backup generator, so that tenants could use it when there is a power outage. Mary stated that there is probably code enforcement to something like that but will further look into it with maintenance.

10. **NEXT MEETING:** The next monthly meeting is scheduled for 1:30 p.m. on Wednesday, February 28, 2024, in the community room of Huntington House Apartments.
