

Bishop Brady Service Handbook

2026-2027

SERVICE PROJECT REQUIREMENTS

Cultivating a habit of service leads to a conversion of heart. With this in mind, the Theology Department requires all students to undertake a service project every year. A successful program allows the volunteer to connect with the people he or she serves and to understand the purpose and need for giving of ourselves. All service should be personal and preferably done with the poor and vulnerable. These principles are inherent to the Gospel:

“Come, you who are blessed by my Father; take your inheritance, the kingdom prepared for you since the creation of the world. For I was hungry and you gave me something to eat, I was thirsty and you gave me something to drink, 'I was a stranger and you invited me in, I needed clothes and you clothed me, I was sick and you looked after me, I was in prison and you came to visit me.'... The King will reply, 'I tell you the truth, whatever you did for one of the least of these brothers of mine, you did for me.'” *Matthew 25: 35-36, 40*

Guidelines for Student Volunteers:

- The majority of service hours should be with an individual or group identified as disadvantaged or marginalized.
- Service is meant to place the recipient above all else. The volunteer **sacrifices** his time and talent to benefit another person or group. The one who receives the service offered by a student volunteer is made better by the experience.
- The process and experience through the four years of service should be progressive.
- Every student in grades 9-12 is required to complete 25 hours of service each year:
 - **15 of the 25 hours** must be completed at an approved location outside of Brady
 - **Up to 10 hours** may be dedicated to service at Bishop Brady or with meaningful hours spent assisting family members or host families.
- Every **Post-Graduate (PG)** student is required to complete **10 hours** of service during the school year. These hours may be dedicated to service at approved locations or at Bishop Brady events
- **NH Hockey Academy** students may complete their hours at venues scheduled by the Academy.
- **International students** must meet their grade-level service requirement. If transportation to an approved location outside of Brady is difficult, please speak with Mr. Bergeron or Mr. Ierardi.
- Service hours at the approved location must be completed outside of the regular school day (before or after school, on weekends, or during scheduled holidays/vacations). *No time off from school will be granted to fulfill service hours.*

Students may choose one of the following Service Options:

- **Option 1:** Summer Service
- **Option 2:** Short-term immersion project (i.e., El Salvador, Habitat for Humanity, other mission trip)
- **Option 3:** Long-term service should be in one approved location over the course of a year.

For the 2026-2027 school year, Theology Teacher Mr. Doug Ierardi will oversee the service program assisted by Mr. Bergeron.

Service Deadlines:

Summer Service must be approved by Mr. Keith Bergeron (kbergeron@bishopbrady.edu) or Mr. Doug Ierardi (dierardi@bishopbrady.edu) before the work is started.

- **September 18, 2026** Service Contract due to Theology teacher
- **November 6, 2026** Service log check – target 5-10 hours
- **January 15, 2027** Service Log check – target 10-15 hours total
- **March 19, 2027** Service Log check – target 15-25 hours total
- **May 7, 2027** Final check, Supervisor evaluation and student reflection due

Bishop Brady Volunteer Guidelines

Three Basic Steps

1. Preparation:

- Review the list of organizations and volunteer links in this manual or research other organizations that may meet your volunteer interest.
- Contact the organization to discuss the volunteer opportunities available.
- Complete the service contract
- Arrange your volunteer hours with the approved organization.

2. Service:

- Be a good volunteer. Arrive at scheduled time, be respectful to your volunteer supervisor.
- Complete service hours and log hours in your service log.
- Have your supervisor sign your service log **EVERY TIME YOU VOLUNTEER**.

3. Reflection:

- How did your service impact someone else/others?
- What did you learn about the person/people you helped?
- What did you learn about yourself through service?

Bishop Brady expects the student volunteer to fulfill the following:

- Serve others with dignity during the service experience and adhere to the guidelines expressed in the discipline code.
- Act in any manner that is professional and that would **NOT** be construed as goofing off or playing around.

- Report any problems to the supervisor as soon as possible and then, upon return to school, inform Mr. Bergeron or Mr. Ierardi.

SERVICE ADVICE, SUGGESTIONS, AND TIPS FOR A SUCCESSFUL EXPERIENCE:

- Check with your local parish/church. They may be able to suggest other volunteer opportunities.
- Network with others: Your family or friends may have volunteer ideas.
- Check the Bishop Brady Directory of Service Opportunities.
- Surf the web to find out about possible volunteer opportunities in your local area.
- Make a commitment to a program that challenges you to grow.
- Be an agent of change. Invite people to join you (even outside of your group of friends).
- Make it a part of your routine. Don't make service an obstacle.
- Get to know the individuals whom you serve! Know their names.
- When you share your experiences with others, be sure not to be judgmental. Everyone has a story about which you know nothing, so be kind and gentle.
- Stories that you tell should always be about the service and the organization, NOT individual people or clients. Protect the privacy of those being served.
