A WARM WELCOME

FROM
R.T. LARGE

RT Large is one of Ireland's leading wholesale and distribution companies for the plumbing and bathroom sector in Ireland. With branches in Dublin and Dungannon we are continually expanding to meet the growing needs of the Irish market. Our locations ensure efficient distribution and access to products.

With 50 years experience and a trusted reputation, our team carefully source each item to provide you with the highest quality in bathroom design and functionality. We stock a variety of well-known brands such as RAK Ceramics, Bayswater, Tavistock, and Saniflo to name a few.

Avara Bath in Sage Green - See page 290

TERMS & CONDITIONS For a full list of terms and conditions please contact us directly. Please note, all measurements are in millimetres and together with photographs and technical drawings are for guidance only. Colours may vary. Images shown are for guidance only. We reserve the right to change specification without prior notice. Please note due to manufacturing tolerances pipe centres on radiators and towel warmers may vary by +/- 10mm, we recommend that pipe work is not altered until your towel rail / radiator is on site.

COMPATIBILITY Whilst the majority of R.T. Large's bathroom products are compatible, care should be taken on product selection prior to ordering to avoid installation issues. Technical drawings are available on request.

ERRORS & OMISSIONS In the interest of continuous development of products, R.T. Large reserve the right to change colour, designs and product specifications without prior notice.

OUR BRANDS

R.T. LARGE

Signature COLLECTION

Brought to you from R.T. Large, our years of experience and the creative ingenuity from our in-house development team has come together to bring you the Signature Collection.

Incorporating latest design trends along with customer needs, this collection has been designed with you in mind. It gives everyone the unique experience of creating their own bathroom.

From ultra-short projection to ample countertop space the Signature Collection has a solution for all bathroom settings.

Folio COLLECTION

Our Folio range includes everything you need to create a stylish and functional bathroom.

Our products are made from high-quality materials, ensuring durability and longevity. Our range is designed to suit all styles and budgets so you can find the perfect products for your bathroom.

Whether you're looking for a sleek and modern look or a more traditional style, the Folio range has something for everyone.

R.T. LARGE

OUR EXPERTISE

BRINGING YOU THE COMPLETE BATHROOM PORTFOLIO

Our complete range is designed specifically to bring you a flexible and customisable range of products. With furniture, handles, basins, mirrors, taps and more that are all available in an extensive range of colours and finishes to create your unique bathroom style.

PROUD SUPPLIERS OF OUR EXCLUSIVE BRANDS

TAVISTOCK

DESIGN, CREATE, INSPIRE

Tavistock's highly experienced team of researchers, designers and technical experts are constantly monitoring enduring trends from around the world so you can depend on their products being in style for years to come.

Tavistock source high quality materials and craftsmanship so that every product not only looks good but fulfils its purpose, time after time which is all backed up by their excellent guarantees. Whichever part of the bathroom you are looking to update Tavistock offer a one stop shop as their extensive range of products. Perfect for an inspirational change.

RAK CERAMICS

At RAK Ceramics we help to create icons, we help to build marvels and our products feature in some of the most iconic buildings in the world.

We are known for our wide product range and our ability to produce bespoke ranges for both small and large scale projects, enabling our clients to bring their ideas to life. We respect, we inspire, we improve, we deliver; today, tomorrow, no matter the ambition, no matter the challenge, at RAK Ceramics we take care of all the details, however large or small, so you don't have to.

Our passion and expertise combined with this careful attention to detail enables us to provide you with a wide range of integrated ceramics solutions, allowing you freedom to be creative and plenty of room for imagination.

Nationwide availability with huge range of retailers.

Our distribution warehouses are located in Ireland to offer immediate dispatch and delivery.

Dedicated customer service and after-sales care.

Expert Technical Support available with in-depth knowledge of our ranges to ensure your perfect fit and choice.

Visit our Portfolio Showroom to view our wide range of products.

Fast and effective Online Portal available to our retailers for ordering and stock checking.

Our furniture features not only exceptional
functionality, but an expansive range
of choice in sizes, colours, finishes and
brands to create a bespoke look and
style that is uniquely yours.

Arlington 800mm Storm Grey Unit - See page 42

BE INSPIRED

Start your project with inspiration! Take time to browse websites, social media and magazines to see what style ignites your passion.

Take screenshots on your phone and make a folder of all your inspiration. This is great to have with you when you are visiting showrooms or retailers to show them your inspiration.

Always pick the style you love rather than trends, trends will fade but you want to love your bathroom for a long time to come!

CHOOSE YOUR STYLE

Think about the finish and colour scheme you want throughout your bathroom.

If you have decided on a finish you love, you can style the rest of your design around this. Take into account the different lighting in your bathroom space, finishes will look different under natural light near your window or under the artificial lights near your mirror.

When planning your bathroom, take into consideration the space you have versus what you need.

Keep an eye in our portfolio for space saving ideas such as short projection furniture - these are units that have a shallow depth and take up less space.

Ask yourself, do you need a bath or would you prefer a large shower instead - decide what works best for the time you and your family spend in your bathroom and use your space accordingly.

STYLE v SPACE

PLAN | DESIGN | CREATE THE PERFECT BATHROOM

When it comes to creating your perfect bathroom, our portfolio is designed to offer the most choice, in everything you need for your bathroom, across all budgets and styles, in one place.

We are confident you will find everything you need from R.T. Large. THE COMPLETE BATHROOM PORTFOLIO.

Discover mirrors with amazing features and options

All our taps come in a huge range of finishes and colours

Choose from a range of basin styles

Choose colours & finishes to complement your style

Explore your space needs, from free-standing to short projection, or even double units.

Discover function paired with style & design.

UNDERSTAND THE BUDGET

When laying out your budget or starting your project, be realistic about your proposed spend and allocate your funds based on what is absolutely necessary in the first instance and then add in all the elements that you would like to have. Be prepared to compromise on some aspects, but always search for alternatives.

Our catalogue offers a range of amazing styles for every budget, so you won't feel like you are missing out!

TRUSTED INSTALLERS

When it comes to installation, having a trusted installer is key to a successful outcome with your bathroom vision.

Ask your friends and family for recommendations or from your local retailers. Keep clear and open communication with your installer, ensure they understand your budget and timelines.

Ask them to be up-front in relation to additional costs or any issues that may arise.

FURNITURE

FEATURES & OPTIONS

**SOFT CLOSE DOORS / DRAWERS**

Lessens the stress on hinges and hinge plates, and adds longevity to your furniture.

**PUSH TO OPEN**

No need for handles or knobs. The telescopic drawer slide gives full access to the drawer, also has a disconnect option for easy installation and removal.

**SHORT PROJECTION**

The perfect choice for those looking to gain some extra space in their bathroom, this option gives a slim depth unit while not compromising on functionality. Designed not to protrude as far as standard depth units, these take up less space in the bathroom.

**CERAMIC BASIN**

Ceramic Basins offer durability in your bathroom. They have an extremely strong surface that is resistant to scratching, chipping, and impacts, which makes them able to withstand the rigors of everyday use.

**WORKTOP BOWL OPTION**

Choose from a selection of worktops and a variety of styled vessel basins and not limiting your choice to the traditional ceramic basin.

**ISOCAST BASIN**

Isocast basins are synthetic resin moulded and give a slick and precise finish in bespoke shapes. These basins are a unique and stylish addition to your bathroom.

**WORKTOP UNDERSLUNG BASIN**

Providing function with style, these basins allow for more worktop space, a perfect choice in a busy bathroom environment.

**CHOICE OF HANDLES**

Enjoy bespoke custom feel with our range of handles, whether it's ultra modern or more traditional style, the choice is yours.

**STORAGE BOX OPTIONS**

Our modular box design is cleverly proportioned to fit seamlessly in your furniture drawers. Ideal for organising bathroom essentials, and the choice of lids is also available.

**LIGHTING OPTIONS**

Our strip lighting kit is perfect for brightening dark in-drawer spaces.

MIRRORS

REFLECT ON OUR FABULOUS RANGE OF MIRRORS.

With an exceptional range of mirrors to suit all budgets, and styles - you will find the perfect match to complement your bathroom style. Discover the top quality range of features available from bluetooth to heated demister pads.

MIRRORS

FEATURES & OPTIONS

LED LIGHTING

LED lighting products produce light up to 90% more efficiently than incandescent light bulbs. It's more efficient, versatile, and lasts longer.

COLOUR TEMPERATURE & DIMMABLE

Enjoy fully adjustable lights that are customisable depending on your individual needs.

INFRARED SENSOR

An infrared sensor helps to detect the movement of your hand and turn the LED lights on.

TOUCH SENSOR

Touch sensor operated LED light.

HEATED DEMISTER PAD

Heated mirror demister pads ensure that your mirror remains crystal clear even in the steamiest bathrooms. Attempting to wipe away the steam is ineffective and only results in soiling the mirror, making it even more difficult to clean.

BLUETOOTH AUDIO

These bathroom mirrors with Bluetooth speakers enable you to connect your phone wirelessly, allowing you to stream music, radio, and podcasts while you shower.

WIRELESS CHARGING

These mirrors have a smart contactless sensor so you can charge your wireless charging devices without having to plug them in.

CHARGER SOCKET

These elegant and stylish mirrors will ensure you never get caught without power for your shavers and electric toothbrushes.

LANDSCAPE OR PORTRAIT

The choice to place the mirror either in Landscape or Portrait format.

SAFETY RATED

A product that has a rating of IP44 means that it is protected against solid objects that are bigger than 1mm and water splashing from all directions. An IP44-rated item is safe to use in areas where it might get splashed such as above your sink.

PORTRAIT

Our Portrait cabinet offers ample storage along with handy features to make it the perfect multitasking addition to your bathroom. Featuring both two-pin and USB charging sockets to keep your toothbrushes and shavers charged, whilst colour changing and dimmable LEDs allow you to create your perfect ambience. Lighting and demister controlled by a smart touch bar hidden under the cabinet.

- Can be surface mounted or recessed
- Variable & dimmable LEDs provide warmth and brightness from an invigorating daylight white (6000k) to a relaxing warm white (2700k)
- Touch controlled on/off bar to operate lighting and heated demister pad
- Internal two-pin and USB charging sockets for toothbrushes and shavers
- Heated demister pad prevents mirror from steaming up
- Soft-close doors provide quiet, controlled closure
- Features four adjustable glass shelves
- Double sided mirror doors and mirrored sides
- IP44 rated for safe use in the bathroom

SANITARY WARE

THE ESSENTIALS FOR YOUR BATHROOM - FUNCTION & DESIGN.

Transform your bathroom into a sanctuary of style and comfort with our extensive range of premium sanitaryware. From sleek basins to contemporary toilets and space-saving solutions, our collection combines cutting-edge design with lasting functionality.

Vitoria - See page 184

SANITARY WARE

FEATURES & OPTIONS

**COMFORT HEIGHT**

Comfort height toilets measure 4-5cm higher than a standard toilet, this makes them more comfortable for the user. A comfort height toilet may be the best option for you if you're taller, elderly or less mobile as there's less pressure on the knees and other lower body joints.

**RIMLESS TECHNOLOGY**

The rimless design makes it exceptionally hygienic and easy to clean, a simple wipe of the rim means there is nowhere germs can hide. Water is projected around the bowl to reach every part and ensure it is completely clean.

**SHORT PROJECTION**

A short projection toilet means that it has a shorter depth than standard, and therefore does not protrude as far, taking up less floor space. A short projection toilet is ideal for a small bathroom or cloakroom suite.

**WALL HUNG**

A wall hung toilet is mounted onto the wall instead of the floor. The cistern is fitted into the wall and is accessible via a flush panel. As the toilet pan floats a few inches above the floor, it creates the illusion of a larger bathroom and makes cleaning easier too.

**OPEN BACK**

Open back toilets are not fully concealed to the wall. This allows for easy access to pipework.

**BACK TO WALL PAN**

A back to wall toilet has been designed to be positioned against the wall with the cistern and pipework hidden from view so that only the toilet pan is visible. The cistern can be fitted into a WC unit or into the wall.

**FULLY SHROUDED**

A fully shrouded toilet, meaning the waste pipe and water inlet are "fully shrouded" within the ceramic, so the toilet sits flush against the wall.

**EXPOSED INLET**

As the name suggest the pipework for the pan are exposed at the back, this allows access to the water supply for the cistern.

BRASSWARE

THE ULTIMATE TOUCH POINTS.

Discover the perfect finishing touch for your bathroom with our stunning brassware collection, where style meets versatility.

From classic chrome to bold black and striking brushed brass, our extensive range offers a variety of colours and finishes to suit every taste.

Athem Brushed Brass - See page 218

Athem Tall Mixr in Gunmetal Grey - See page 218

FEATURED BRANDS

TAVISTOCK

FEATURES & OPTIONS

ECO SAVE TECHNOLOGY
A two setting option available on the taps that reduces flow by 50% with the first setting and full flow with the second setting. This feature helps to conserve water.

LOW PRESSURE
Low-pressure taps respond to this pressure by use of a drop-by-drop water surplus. Low-pressure taps are made to compensate for the high pressure that builds up between your water pipes and the hot water processing system. Using suitable low-pressure taps is crucial if your home plumbing system is open-vented.

ANTI-LIMESCALE
One of the key issues is that limescale can build up around 'hot spots' within the showering system. To eliminate this issue, Anti-Limescale technology works by lengthening the heating elements as well as widening the gaps between the coils. This means that the heating tank runs at a consistent temperature throughout, eliminating the chance for the build-up of limescale.

FREE STANDING BATH FILLER OPTION
This tap offers a matching Freestanding bath filler giving you the complete look.

180° SWIVEL HANDLE
We have a wide variety of furniture handles; whether it's an ultra-modern look you are after or a more traditional style, we have it covered.

MATCHING SHOWERING OPTION
This tap offers a matching showering option to complete your desired bathroom.

COLOUR GUIDE

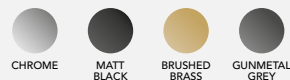

When it comes to matching our brassware to the rest of your bathroom, you can follow our colour guide to select your finish, and then choose the style that matches your taste.

Cold start taps are designed to save energy by delivering only cold water when the tap handle is in its default, central position.

Hot water is only engaged when the handle is deliberately turned to the left (or towards the hot water side), preventing the unnecessary use of hot water and the energy needed to heat it.

A WORLD OF CHOICE AND DESIGN.

Transform your bathroom into a personal sanctuary with our diverse showers collection, designed to suit every style and space. With high-performance functionality and elegant finishes, our showers combine comfort, innovation, and style to elevate your daily routine.

Casanuova Brushed Brass Enclosure- See page 262

SHOWERING

FEATURES & OPTIONS

TOUGHENED SAFETY GLASS
Is stronger than regular glass. This added security is achieved by heating the glass at a high temperature and rapidly cooling. The result is a wetroom panel that is more resistant to impact, giving you peace of mind in your bathroom shower.

MAGNETIC CLOSURE
All our enclosures offer magnetic closing systems to try eliminate the enclosure being accidentally opened while in use.

CLEAN - CLEAR GLASS COATING
Ensuring your enclosure stays easy to maintain, we offer Clean - Clear Glass Coating. The coating on our glass means that water will be less likely to gather and pool on the surface of the glass, instead it will run down the glass leaving fewer streaks and stains.

QUICK RELEASE ROLLERS
Our enclosures are fitted with quick release rollers where possible. Quick release rollers allow access for cleaning in difficult to reach areas, simply unclic the rollers, clean and click back into place when done.

RANGE OF STABILISING OPTIONS
We offer a range of stabilising options for our wetroom panels so you get the best piece of mind no matter what type of installation you incur.

REVERSIBLE
Our Enclosures are reversible where possible, meaning they can allow for either a right or left side opening.

25 - 50MM ADJUSTMENT
Offering adjustment on all enclosures for out of plumb walls.

COOL TOUCH
'Cool touch' version ensures that the metal valve body does not get warm to the touch, unlike conventional bar mixer showers. With cool touch, the cold supply runs across the valve before being 'mixed' to ensure added showering comfort and safety for children when showering.

TMV2
A TMV2 fitting is designed for use in a domestic environment. They work with water pressures of between 0.1 bar and 5 bar, and are ideal for use in households and other domestic settings.

TMV3
TMV3 fittings have been specifically designed for use in healthcare environments. Hospitals, care homes, and other similar settings must use these; installing TMV2 valves would not suffice. TMV3 fittings are also designed to work with much higher water pressures, from 0.2 bar to 10 bar.

SHOWER TRAYS

SHOWER TRAYS YOU CAN TRUST

Choose from tilable floor gullys, Slate effect shower trays or slim options.

**SLIP RESISTANT**

Designed to provide secure footing without compromising on aesthetics. Featuring a specially textured surface, they offer enhanced grip underfoot, even when wet, helping to reduce the risk of slips and falls. Whether for a family bathroom, en-suite, or accessible space, our trays deliver confidence and comfort as standard, making them a smart choice for every home.

**STAIN RESISTANT**

Designed with stain resistance in mind, ensuring they stay looking fresh and clean with minimal effort. Each tray is infused with an anti-microbial additive that actively inhibits the growth of bacteria and mould, promoting a more hygienic bathroom environment.

**SCRATCH RESISTANT**

Our shower trays are engineered for everyday durability. Crafted from robust, high-quality materials, they are designed to withstand daily use without showing signs of wear and tear.

Lusino White Tray - See page 278

LUSINO 3D EFFECT SHOWER TRAYS

LUSINO 3D trays feature an exclusive surface pattern, taken directly from a piece of slate, for a truly authentic finish. The acrylic capped surface is Slip, Stain and Impact Resistant and contains an anti-microbial additive to inhibit the growth of bacteria and mould.

- Slip-Resistant PTV* Value
Slider #55: DRY: 95 PTV; WET: 42 PTV
- Custom 3D slate design, unique to each shower tray
- Anti-Microbial impregnated Acrylic capped ABS surface
- Slip-Resistant to EU Standards
- Structural resin bonded stone filler for stability

FLEXI-SEAL + BONDMASTER TANKING SYSTEM

FLEXI-SEAL

Use Flexi-Seal to protect floors and ceilings from expensive water damage caused by leaks from shower trays, baths and work surfaces.

Flexi-Seal uses a combination of a durable flexible rubber with a waterproof butyl based adhesive to give maximum protection between the application surface and tiles or panels.

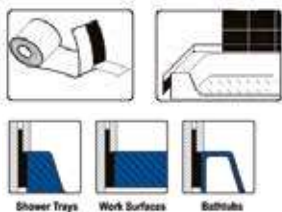

Since the rubber is flexible, it will maintain a watertight seal whilst allowing for a certain amount of movement that is inevitable, particularly with new builds.

Available in 2m, 3m, 4m, 10m & 20m rolls.

2m	Code TFLEXI2	€42.00
3m	Code TFLEXI3	€62.50
4m	Code TFLEXI4	€81.50
10m	Code TFLEXI10	€200.00
20m	Code TFLEXI20	€384.00

PROTECTS AGAINST WATER DAMAGE CAUSED BY LEAKS

BONDMASTER TANKING SYSTEM

- Kit for tanking shower rooms
- Contains Tilers Primer, Polyester Joint Tape, Waterproof Liquid Membrane & Polyester Matting
- Used prior to fixing ceramic wall tiles
- Ensures a water tight barrier preventing water penetration
- Suitable for use on a wide variety of surfaces including concrete, cement-sand rendering, plaster, plasterboard and moisture stable timber boards
- Not recommended for outdoor use
- Covers 6sq metres

Code WFTANK6 €111.50

iCON FAN COLLECTION

The iCON range offers a stylish and innovative approach to ventilation. The unique 'iris' system operates by opening and closing as required. This greatly reduces back draft and external noise ingress.

The units come in three variations; iCON15, iCON30 and iCON60 which are customised for various applications as can be seen in the table below. All units come as standard in a white finish with the option to upgrade from a choice of finishes and control module options. Note that the iCON range has been designed to provide ventilation levels that meet the latest Building Regulations ADF.

FEATURES

- Conforms to IPX4 rating
- Range of finishes available
- Stylish, slim and unobtrusive in walls or ceilings
- Unique iris shutter, prevents back draughts, operates silently
- Interchangeable control modules match fan to installation requirements
- Circular design, no squaring up
- Very simple installation
- 3 year warranty

Adding a Whirlpool option

If a bath has a Whirlpool option it will have an icon like the ones below.
Each icon shows how many jets are available for that particular bath so just add the code when placing an order.

What is a Whirlpool Bath?

Whirlpool Baths, available from R.T. Large, are a great feature to install in your bathroom. A whirlpool bath is a bath that has been fitted with whirlpool jets, which are placed on the side of the bath body, these are then operated by controls that are placed onto the ledge of the bath.

All the whirlpool baths from R.T. Large are attributed with great style, unbelievable functionality and contemporary design. More so, the high standard of quality parts and equipment allow you to enjoy a luxurious experience.

How do Whirlpool Baths work?

Whirlpool baths are operated by air and water. The suction of the whirlpool takes the water from the bath via a suction plate and into the pump, the pump then forces the water out through the whirlpool jets. The force of the water being pushed out of the jets can be adjusted with an air controller.

R.T. Large Whirlpool options, are available on many of our inset baths in a variety of jet configurations. Look out for the Whirlpool logo in the bath section to see which baths are suitable for the application. All attributes of our whirlpool bath ensure optimum satisfaction.

Please Note; There is a 3 week lead time on all Whirlpool Baths.

HEATING

ELEVATE YOUR BATHROOM WITH OUR STYLISH RADIATOR COLLECTION.

Our radiators do more than just offer heat and comfort, they offer the opportunity to add design and style to your bathroom.

With a fantastic range of colours and styles to match all your bathroom accessories.

Jupiter - See page 322

HEATING

FEATURES & OPTIONS

TOWEL HANGING OPTION

A bathroom radiator is a great way to complete the look of any bathroom but also has the practical use of warming your towels. A heated towel rail is easy to install and come in lots of different sizes and styles to meet your needs.

DESIGNERS CHOICE

Designer radiators are designed to add unrivalled and superior style and comfort to any room of your home, without compromising on functionality.

COLOUR OPTIONS

A choice of colours options available for your radiator.

SIZE OPTIONS AVAILABLE

A comprehensive range of sizes available suitable for all bathrooms.

ALUMINUM RADIATOR

Aluminum radiators transfer the heat from the boiler to the room faster than steel radiators. They require less heated water from the boiler and will be faster to respond to changes in the room heat requirement, reducing any wasted heat.

COLOUR GUIDE

The colour guide for our range of radiators makes it easy for you to match your radiator with the other finishes in your bathroom. Available in a range of colours, sizes and designs.

Tesla Radiator Element Control Plate

Technical Information –
The Tesla towel rail control plate is used to control the output of your towel rail element. The towel rail element can be wired directly into this control plate, in the bathroom.

This control gives you five increments of control, from 20% up to 100%, indicated by the LED lights. The 2 hour boost function switches the element to full power for 2 hours, then reverts to the previous setting. Optional chrome cover plate available.

	Towel Rail Thermal Control Plate IPX5

COSYTOES

Suitable for domestic and commercial installations, Cosytoes TRADEMAT is ideal for almost anywhere that requires efficient and economical heating.

Now you can have the affordable luxury and practicality of a tile or stone floor that is warm and inviting to walk on, even on the coldest days.

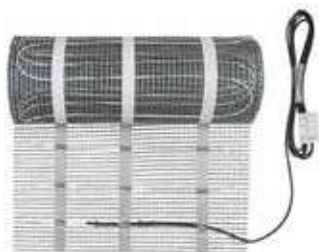

Cosytoes TRADEMAT can also be installed in a screed or self-levelling compound under most floor finishes such as hardwood and laminate following manufacturers advice, and carpet or vinyl.

- Completely safe
- Maintenance free
- Efficient, intelligent control
- 160 watts per square metre
- Safe 9 watts per linear metre
- Suitable for insulated concrete or timber sub-floors
- More wall space, no radiators
- Healthier environment, less airborne dust

"That warm comfortable feeling begins with the feet"

USE ANY COMBINATION OF THE FOLLOWING TO HEAT THE REQUIRED AREA.
ALWAYS CHOOSE THE MAT OR COMBINATION THAT IS EQUAL TO OR LESS THAN YOUR REQUIRED AREA.

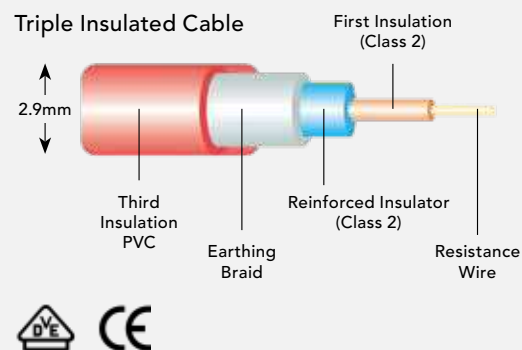

Code	Product	Output Watts / m.sq.	Total Output Watts	Area Covered Square Metres	Matt Size	Price
COSYTM10	TM1	160	160	1	0.5m x 2.0m	€177.00
COSYTM15	TM1.5	160	240	1.5	0.5m x 3.0m	€235.50
COSYTM20	TM2	160	320	2	0.5m x 4.0m	€293.00
COSYTM25	TM2.5	160	400	2.5	0.5m x 5.0m	€351.00
COSYTM30	TM3	160	480	3	0.5m x 6.0m	€391.00

3 Simple and Easy Steps

- 1. EASY TO SIZE**
Floor area in sq.m. less than 10%, less any area of fixed objects.
- 2. EASY TO LAY**
Staple, hot glue, clip, screw or use Cosytoes plastic push in fixings to fix down the backing net. Cut the net between wire loops to change direction. Correct spacing assured. Simply tile the floor as normal using flexible adhesive.
- 3. EASY TO USE**
Use Cosytoes pre-programmed Timerstat for accurate simple time and temperature control.

Full installation instructions included.

Manual Timerstat

Features

- Simple on / off button
- Useful individual room stat for timed circuits
- 16amp switching capacity up to 23m² of mat
- Floor sensor included
- Twist dial temperature adjustment

COSMAN €121.00

Wireless Stat - White

Features

- Simple installation
- Can be fixed or used mobile
- 16amp switching capacity up to 23m² of mat (multiple receivers can be used to control even bigger areas)
- Six settings each day
- Floor sensor included
- Instructions and tech spec
- Receiver is recessed fitting

COSWIFIWH €231.00
