Dear Ashley,

On behalf of the Central Arkansas Willow Award, thank you for being an exceptional end-of-life care professional! Your extraordinary work in a field that is so sacred and fragile has been recognized as being the best of the best.

In regards to the nomination letter we received from the family of the late Eddie Stewart, we were unsuccessful in a response from your former place of employment. On behalf of the Willow Award, please accept this Willow Award lapel pin. We hope you will wear it with great pride and in remembrance of the exceptional care you provided Mr. Stewart.

End-of-life care is not for the faint or even for most. You are who makes a difference in how families perceive death. You have what it takes and we want to congratulate you for the gift you are giving grieving families.

As you move forward in your career, please feel free to mention that you are a Willow Award nominee in your portfolio.

Thank you for being one of the best in end-of-life care.

Sincerely,

Jodie McGinley, Executive Director
