

Mould and Health Risks

Toxic mould is now rated HAZ 1 the same as Asbestos! Mould can impact on a broad range of health issues, some of the main ones are:

- Respiratory disorders such as asthma, sinus congestion / infections
- Constant fatigue, tiredness
- Unexplained ongoing cold and flu symptoms
- Eye irritations
- Skin Conditions / Irritations

How to Remove Mould Naturally

We are delighted to offer "D.I.Y" mould removal and prevention information online. Our objective here is to provide you with some straight forward and, as importantly, affordable set of steps that will assist you in removing Mould & Mildew and then retard its return. For information go to www.essentialshield.com

REAL PEOPLE WITH REAL STORIES!
READ MORE AT WWW.ESSENTIALSHIELD.COM

"I am now chronically sensitive to mould, and the only thing that protects me is your Mr Mould product. It has literally saved my life. It works!" **Alix**

"The service was friendly, informative and done with such precision and care and we could not help but be impressed by their expertise in the field. I would have no hesitations in recommending Essential Shield's services to anyone experiencing significant mould problems in their house. Thank you again for your wonderful service." **Dr Vaughan**

"Being a naturopath I am dead against harsh chemicals and solvents for this purpose so I was glad to find someone who has found a way naturally! Since your visit and treatment to my home my sinus and heavy breathing/asthma are gone!!!"

Joel. Naturopath / Nutritionist

"Invaluable contractor in the management of our rent roll for over 9 years." **Realway Real Estate Caloundra**

"The finished product is immaculate!! And the best part, it was less than a QUARTER of the price of the original quote I had from the painter!!" **Dimity**
