

DESIGNATED ENDOWMENTS

The future is hard to predict. But, we know for certain that every nonprofit will need resources to fuel their mission in years to come.

A designated endowment provides a steady and permanent source of support for the charity or charities you love.

A Gift that Keeps Giving

- Through a designated endowment, you can honor a loved one or create a personal or family legacy by permanently supporting a nonprofit organization that has special meaning.
- Assets in a designated endowment are protected for the nonprofit's cause. If the nonprofit no longer exists in the future, the Community Foundation will ensure the funds are used to fulfill the intent as closely as possible.

How it Works

GIVE

You select the organization(s) you'd like to support. Establish your fund with a minimum of \$15,000 and receive an immediate federal income tax deduction.

GROW

Contribute to your fund at any time. Endowed funds are invested for long-term growth.

GRANT

Each year, the Community Foundation will make a grant to the organization(s) you have selected as beneficiaries, providing a permanent and steady source of support.

*Connecting people who care
with causes that matter*

Ways to Give

The Community Foundation is poised to accept a wide range of assets to grow your fund and your impact:

- Cash
- Securities and other appreciated assets
- Estate or trust
- IRA
- Life insurance policy
- Grain or other property
