

What is a School-Parent Compact?

Our annual school-parent Compact offers ways that we can work together to help our students succeed. This Compact provides strategies to help connect learning at school and at home.

Effective compacts:

- Link to academic achievement goals
- Focus on student learning
- Share strategies that families can use at home
- Explain how parents and teachers can communicate about student progress
- Describe opportunities for parents to participate with academic goals and in the school decision making.

Jointly Developed

AES parents, students, and staff worked together to develop the School-Parent Compact. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. There are multiple opportunities each year for parents to review the Compact and make suggestions based on parent and student needs.

If you would like to volunteer or participate, please contact Mrs. Green at amber.green@brantley.k12.ga.us or call (912) 778-6098

Building Partnerships
