Founded by Steve and Meryl (Stinson) Spann and still under the same ownership today, Spann Funeral Home is built on a commitment to personal care, integrity, and respect for every family served.

Our Story

Spann Funeral Home & Cremation Services has served the Dickson community since 2001, continuing a family tradition in funeral service that began in 1989 with Humphreys County Funeral Home in Waverly.

In 2017, Spann Funeral Home opened the only on-site crematory in Dickson, offering families added peace of mind and transparency. Led by Managing Director Jake Beard, the funeral home remains dedicated to honoring life with compassion, dignity, and thoughtful service.

Managing Director

From the first call to the final detail, our mission is simple: to walk with you and follow the Golden Rule along the way. We treat others the way we would want to be treated, and making sure every person in our care has a pillow beneath their head, a blanket over them, and a light left on.

Spann Funeral Home Payment Policy

To lose someone you love is a devastating experience. It is traumatic and can impact judgement. We believe in the importance of recognizing and celebrating your loved one's life and will assist by arranging services to meet your individual needs. We do not want a family to spend more than they should or less than they would like to. It is also important to be realistic in respect to funeral expenditures and to make choices in keeping with your family's wishes and budget. We want you to leave the funeral home today with confidence and the peace of mind that all financial decisions have been made.

Payment must be secured before services can be scheduled.

We are not able to contract with estates for payment.

The law does not permit the funeral home to fulfill the functions of a bank or other lending institution, such as financing.

Payment Options

- Pre-Paid Funeral Service
- Cash
- Personal Check or Cashiers Check
- Credit Card (subject to 3.5% processing fee)
- Crowdfunding

We can place crowdfunding on your loved one's obituary for you and your family to share on social media. Donations will be directly applied to funeral expenses minus a 4% processing fee.

- Life Insurance

Insurance policies need to be verified and assigned to the funeral home before we will schedule a funeral service. To verify the policy death benefit, we need: **Insurance Company Name, Phone Number, and Policy Number**. Every insurance company is different and have their own claim requirements, which often includes a certified death certificate, assignment form and claimant statement completed by each beneficiary.

Group Policies, such as those provided by an employer will be considered on a case-by-case basis.

Contestable Policies (taken out within 2 years of the date of death) and **Pending Cause of Death** (delayed death certificate) **cannot be accepted.**

Outer Burial Container Price List

Effective Date: January 15, 2026

In most areas of the country, state or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a grave liner or burial vault will satisfy these requirements.

DISCLAIMER OF WARRANTIES & GENERAL DISCLOSURES

(General Price List Acknowledgment Page – No Signature Required)

DISCLAIMER OF WARRANTIES – MERCHANDISE

The only warranty of any casket, outer burial container, or other merchandise sold in connection with this funeral service is the express written warranty, if any, provided by the manufacturer or supplier.

This funeral home makes no warranties, express or implied, including but not limited to any implied warranty of merchantability or implied warranty of fitness for a particular purpose, with respect to any casket, outer burial container, or other merchandise.

No oral or written statement made by funeral home staff shall be deemed to create any warranty unless such warranty is expressly stated in writing by the manufacturer.

OUTER BURIAL CONTAINERS

Outer burial containers are designed to surround the casket and may help support the weight of the earth and prevent ground settling. No outer burial container is guaranteed to prevent the penetration of water, air, or other elements, or to preserve the remains or contents indefinitely.

EMBALMING DISCLOSURE

Except in certain special cases, embalming is not required by law. Embalming may be required or selected under specific circumstances, including extended public viewing or certain transportation requirements.

CASH ADVANCE ITEMS

Cash advance items are goods or services obtained from third parties on behalf of the family, including but not limited to cemetery charges, clergy or celebrant honoraria, newspaper notices, death certificates, and permits.

The funeral home does not set, control, or guarantee the prices or performance of cash advance items and makes no warranties regarding these third-party goods or services. Charges for cash advance items reflect the amounts paid or anticipated to be paid to third parties.

PRICES, AVAILABILITY & SUBSTITUTIONS

Prices listed in this General Price List are subject to change without notice. Availability of specific merchandise, services, or materials may be affected by manufacturer supply, vendor availability, or circumstances beyond the funeral home's control. Comparable substitutions may be provided when necessary.

PERSONALIZATION & CUSTOM GOODS

Personalized or custom merchandise, including printed materials and memorial products, may vary slightly in appearance, color, or materials due to printing processes, material availability, or manufacturer standards.

LIMITATION OF RESPONSIBILITY

To the fullest extent permitted by law, the funeral home shall not be responsible for incidental or consequential damages related to the use, condition, or performance of merchandise or third-party goods or services.
