CALL TO WORSHIP

Leader: Today, we come to worship the true King and
 learn about His Kingdom!

People: We come seeking Jesus and the heaven He revealed.

Leader: Jesus tells us that the kingdom of heaven is like leaven, quietly
 working its way through the whole loaf, transforming it from within.

**People: Lord, work within us through every person, struggle,
 and situation, using each one to help us grow in faith
 and become more like You.**

Leader: May Your Spirit use even the smallest and hardest experiences
 to strengthen our character and deepen our faith.

**People: Lord, we come seeking transformation. Help us rise
 spiritually through every challenge and make our lives
 a reflection of Your love and grace.**
