**Warranty Statement**  
**5115 BRISTOL INDUSTRIAL WAY**  
**BUFORD, GA 30518**

**10 YEAR STANDARD WARRANTY ON INSULATED UNITS**

**EGM TEMPERING warrants to our immediate customers only. From date of manufacture and under normal circumstances our insulated glass will not develop material obstruction of vision due to defects in material or workmanship which results in film formation, or dust collection on the interior glass surfaces caused exclusively from sealant failure or other than glass breakage. We have no express warranty of any kind.**

**Warranty is void if our insulated glass is damage in handling or installation or not installed according to guidelines and specifications put forth in F.G.M.A glazing manual, or if provision has not been made for expansion, or if any non-compatible sealant is used. Warranty is also void if insulated glass is subject to localized stresses from application of heat which causes excessive temperature difference over glass surface of edge. EGM TEMPERING is not liable for cost of removal, installation, labor, or any incidental, consequential or other damages.**

**Immediate customers have a 24 hour period to report any issues or defective problems with received product.**

**We do not warrant any insulated glass unit installed in slope glaze application of more than 15 degrees off the vertical unless otherwise stated.**
