The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected. The statement of funeral goods and services that you will receive is required by the Federal Trade Commission. Also this statement of disclosure is provided pursuant to the requirements of NC G.S. 90-210.25(e).

BASIC SERVICES OF FUNERAL DIRECTOR AND STAFF \$1,695.00

“Our basic service charge includes, but is not limited to, staff to respond to initial request for service; arrangement conference with family or responsible party; preparation and filing of necessary certificates and permits; shelter of remains; placement of obituary notices; planning of funeral arrangements; and coordination of service with cemetery, crematory, vault companies and others as required.” (This does not cover newspaper charges.) “Also included in this charge are overhead expenses relative to our facility such as insurance, maintenance and utility expenses, secretarial and administrative costs, equipment and inventory expenses. Post service assistance with insurance, and VA, and other benefits are included.” This fee for our basic **services and overhead** will be added to the total cost of the funeral arrangements you select. (This fee is already included in our charges for direct cremations, immediate burials, and forwarding or receiving remains.)

EMBALMING BY LICENSED EMBALMER \$895.00

“Embalming is not required by law.” Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial.” Embalming is a chemical process, which helps to provide temporary preservation of the body and eliminates certain health hazards. -Notice-

The only warranties expressed, implied, or granted in connection with the products sold here; are those written warranties, if any, extended by the manufacturers thereof. Greene Funeral Service makes no warranties or representations concerning the products sold herein. Although certain outer burial containers (Vaults) offered for sale here may have better quality construction and may be constructed of more durable materials than others, neither Greene Funeral Service or it's employees represent or imply that any outer burial container will be air tight, water tight, or will provide for the long term preservation of human remains.

State or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a grave liner or a burial vault will satisfy these requirements.

Note: Retail Price does include the cemetery set up. Example: Artificial Grass Carpeting, Chairs, Lowering Device

Note: Does not include any tent
