

PCS WARRANTY SNAPSHOT

Built to Last — Backed for Life

At PCS, we don't just install roofs — we protect your home, your money, and your peace of mind. Every PCS roof comes with our **Lifetime Workmanship Warranty**, because anything less is just survival roofing.

-  Lifetime coverage on all PCS-installed work
-  One-time transferability (if you sell your home)
-  Zero cost to you — **included with every PCS roof**

Storm damage? Call us first. We fight for you, not your carrier.

What the Manufacturer Gives You (and Doesn't)

The standard "**Limited Lifetime**" warranty from most manufacturers sounds good — until you read the fine print:

-  Only covers *product defects*, not labor or install
-  Full protection ends after **10 years** (then it's prorated)
-  Algae & wind resistance coverage limited
-  Transferable once — **but only if you do it within 5 years**

It's better than nothing — but **you deserve better than basic.**

Get 10 Extra Years of Premium Protection

PCS is a Certified Contractor for leading manufacturers. That means **YOU get exclusive access** to enhanced protection — only available through trusted, verified partners.

For just \$199.99 (or \$16.67/year):

-  Adds **10 more years of Full Start®** coverage
-  Covers both **product & labor** — no prorate
-  Includes shingles, underlayment, hip & ridge
-  Warranty issued direct to you by the manufacturer
-  No hidden fees — we handle the paperwork, you keep the power

 **Ask your rep about adding the Enhanced Protection Plan to your roof today.**

WHERE QUALITY IS DEMANDED AND SATISFACTION IS GUARANTEED
