

December 9, 2025 St. Gabriel Cemetery Committee

Members present: Dick Lemminger

Mike Reichert

Dick Lemminger Jr.

Mary Frank

Members not present: Jake Jilling

Bob Rauch

Meeting was called to order with a prayer by Dick .

First order of business new pricing of cemetery plots for all three cemeteries. Mike provided detailed for 2026 pricing after research been done. Perpetual care will be included with the purchase price and collected at time of purchase . This is do to poor record keeping in the past where some paid perpetual care and some not.

We will review every past purchase at that burial.

We did all agree that an increase to perpetual care will be \$300.00 per burial due to the maintenance of all three cemeteries. The next pricing shown are the parishioners price.

The base pricing for the cremation plots 4'x3'4" at St. Columba and St. Huberts is \$600.00 and a right of second burial will be \$400.00.

The base pricing for full body plot 4'x10' at St. Columba and St. Huberts is \$800.00 and right of second burial will be \$600.00.

There are no additions to St. Mary's due to all plots are sold .

The pricing for non parishioners are noted next.

Cremation plot 4'x3'4" \$1000.00 right of second burial \$800.00

Full body plot \$1,200.00 right of second burial \$1,000.00

Perpetual care will be \$300.00 per burial at time of purchase of plot .

Columbarium is a future project possibly St. Mary if need is asked for but then St. Huberts.

Mike will take concerns to Fr. Timm and then onward to finance committee. We expect for an April price increase.

An easy pamphlet will be printed for the parishioners and non-parishioners with sexton contact with all pricing .

We talked about monument maintenance and Gil and Mary Frank will take photos in the spring for repair issues. Will report [to the committee](#) and send info to Wally Miller for the calendar year.

Notification to grave clean up to parishioners will be put in bulletin and web site and social media for April cleanup . This will be posted in March for plenty of time . This includes everything not on the footing of the stone or attached to the stone.

Discussion of committee membership ,Mary will contact Jake and Bob to see if they want to continue to [contribute.We](#) would love them to join us.

Meeting concluded with a prayer from Dick.
Next meeting February 10,2026 at 10:00am

Merry Christmas to all,
Mary Frank\\
