## Summer Update

June 2025

Even though we don't meet over the summer I wanted to provide you with a quick snapshot of the May YTD P&L comparison of actual, budget, and last year.

Regarding the May YTD operating income, on a comparable basis, we are ahead of budget by \$71K, and slightly ahead of last year (after you remove the \$199K tax relief funds received). We anticipate that the June YTD numbers will be ahead of budget, and we are making a list of open expenditures to be included in the year end accruals to properly reflect our financial performance.
