1. First order of business was discussion of increase of plots and perpetual care. Mike has been in contact with the Arch concerning any legal problems for doing a bundle of perpetual care with plot sale. At this time perpetual care is charged at time of burial but no records are not good. Mike will contact again and then move forward for increase in July.
2. Notification to all parishioners will be sent to bulletin about the cleanup April 7-21 at all three cemeteries. Mary will make out a notification to Mike and Nikki to make it sensitive and reminding loved one of the rules of the cemeteries. Mary decided to wait til after Easter to be respectful. Mary will notify the grass cutters about the cleanup.
3. St. Columba is officially zoned correctly per Mike.
4. Mary will call Wally on the monument at St. Columba. Discussed the cost with some discrepancies form old price and new. A contract was never written but now it is.
