Form & Function

Beautiful

Customize your Bestbath® shower or bath to match your style. You can choose from endless color and custom tile design options that add a modern look and lifetime value.

You can also add soap dishes, grab bars or other accessories that fit seamlessly with your composite shower or bath.

Functional

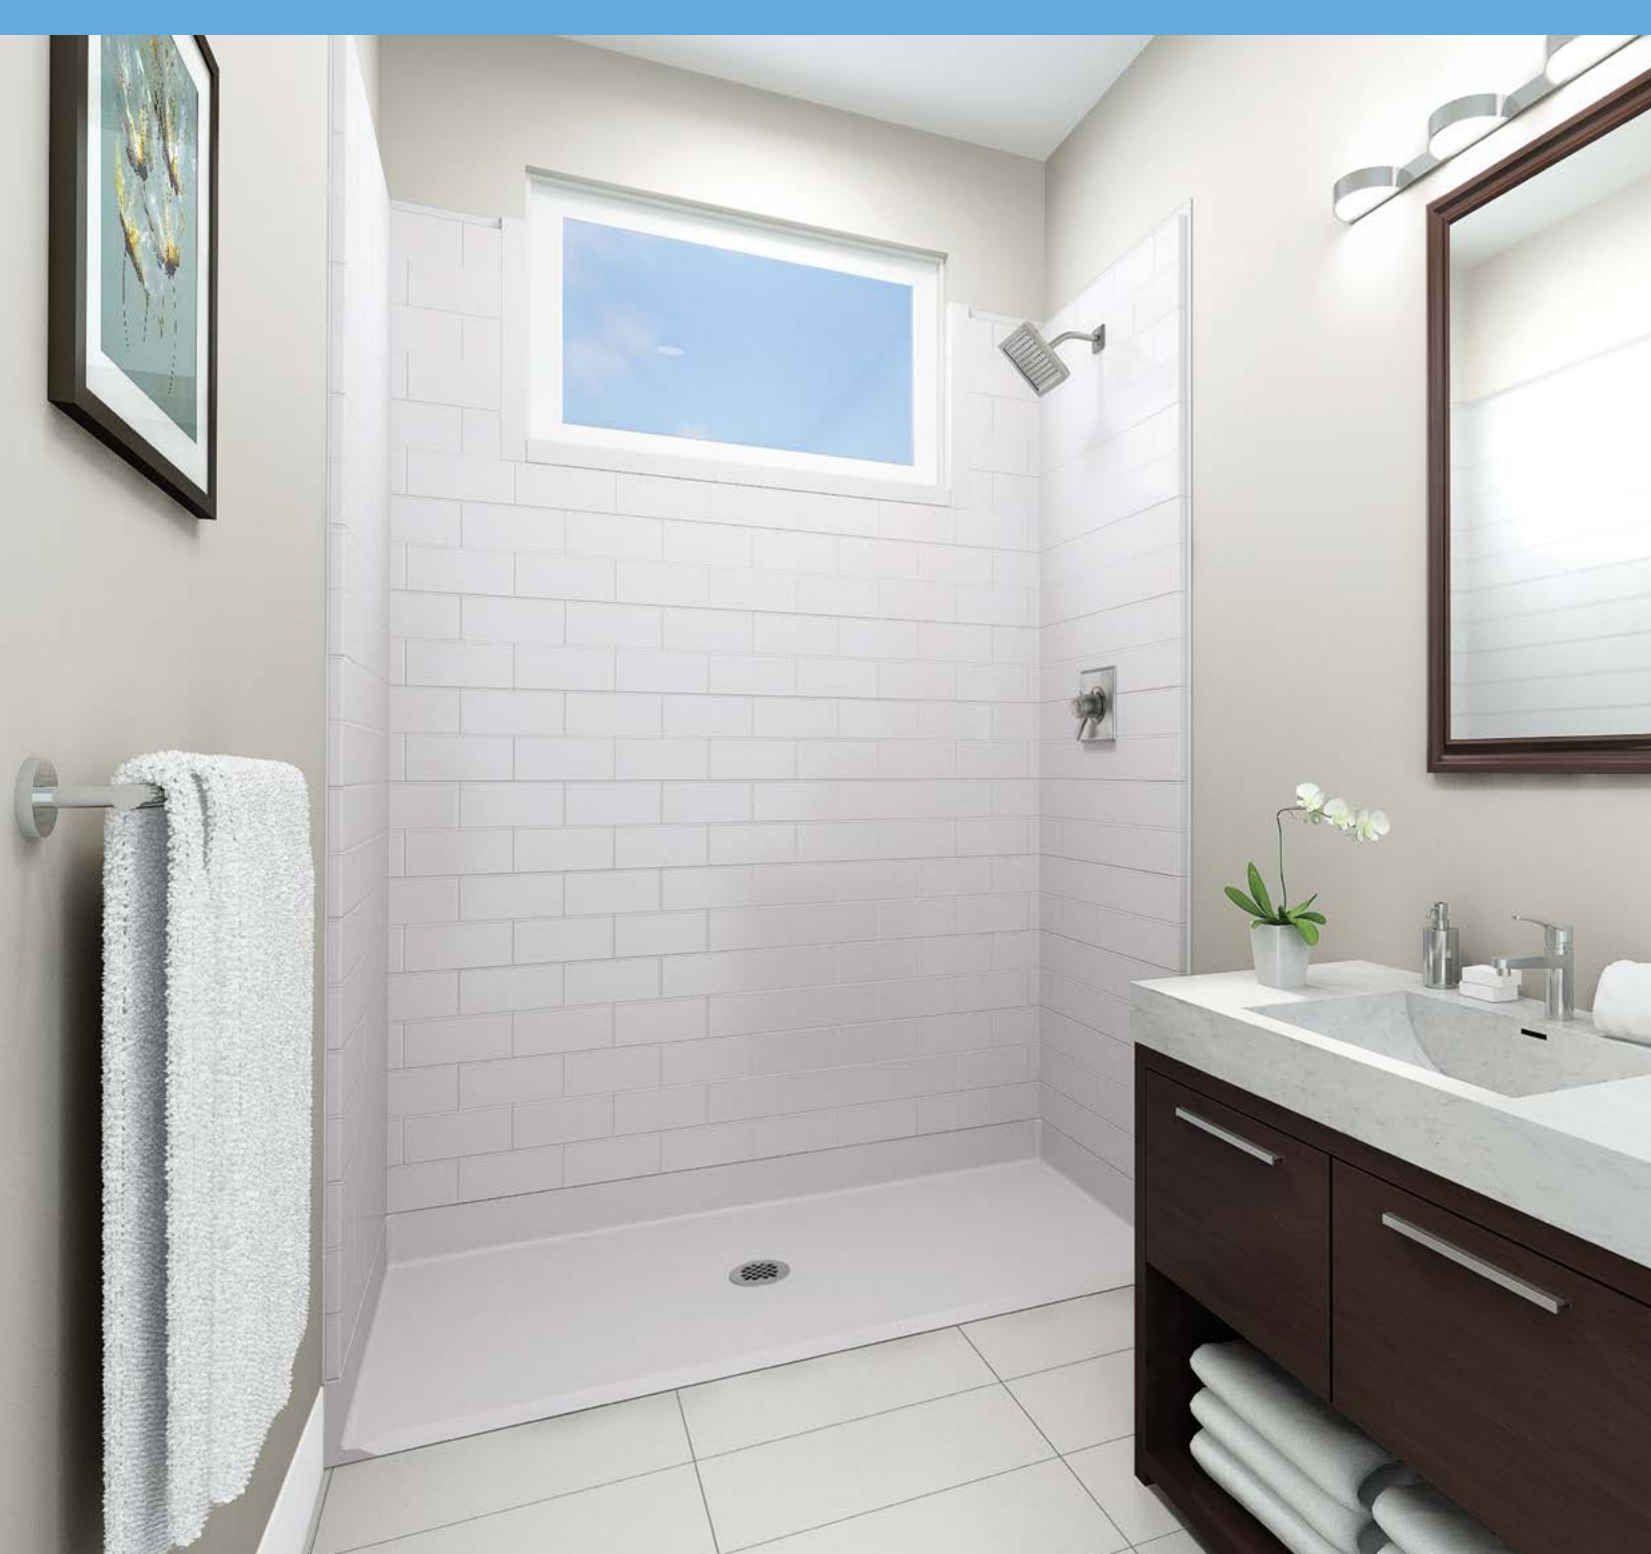

Selecting a Bestbath product ensures you'll have a solution that will go the distance. All of our bathing products install quickly — sometimes in one day — and are easy to clean and maintain.

Plus, Bestbath products are made in the USA and come with a 30-year limited warranty, so they'll stay beautiful and functional for years to come.

Bestbath provides luxury bathing options for any bathroom.

With a state-of-the-art manufacturing process, you can customize the premier shower or bath you really want for your home. You'll have the freedom to choose a bathing option that matches your home's decor and lasts a lifetime.

Showers

Showers and Tub Showers

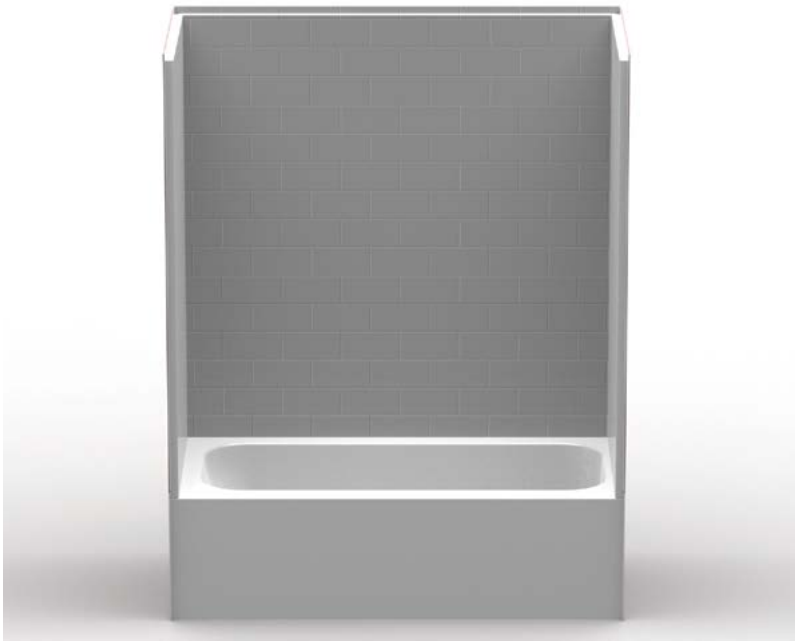

From total color customization, to the tough composite structurally reinforced walls with an attractive gelcoat finish, Bestbath sets the standards for elegance in design and durability.

- Multiple threshold heights for all applications
- Unique wall assembly for easy installation, a clean look and watertight corners

Offering style and functionality, Bestbath tub shower combinations are a great fit for your remodel project.

With an extensive line of tub showers and flexible design choices, you can be sure that you'll get the right tub shower to fit your needs and unique style.

- Custom TileDesign™ make a statement and offer décor flexibility
- All surrounds have gelcoat surfaces that are easier to clean and maintain than tile
- Laminated wood-reinforced walls allow for grab bars or accessories to be easily installed anywhere in the shower without additional structural bracing

Shower Styles

Bestbath showers set the standard for safety, durability, accessibility, and beauty.

Manufactured in the USA and backed by a 30-year limited warranty, features combine stunning quality and design.

No matter which style you choose, you can rest easy knowing it will enhance the value and beauty of your bathroom.

Crestline

Luxury Wall System

Whether you're looking for a clean, simple finish or want to kick it up a notch with a bold floor-to-ceiling statement, Crestline™ lets you tailor the look while keeping the same proven Bestbath wall construction.

Choose from four modern finishes that echo the look of stone without grout. Panels are designed for standard or floor-to-ceiling installs up to 8', are trimmable in the field to fit real-world conditions, and go in quickly with no separate backing board, glue, or bracing required.

Create stunning tile inserts to match the style and décor of any bathroom.

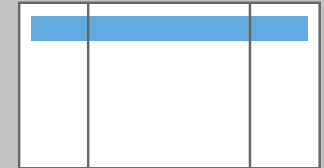

Add an inlaid recessed pocket to your shower or tub. These pockets can be filled with your choice of tile, adding a contemporary look to your shower or tub.

Choose any style, color, size or shape of tile — colorful glass or ceramic — for a custom design to fit your bathroom's style and décor. Tile installs quickly, is easy to maintain, and will not leak, eliminating the possibility of water damage.
