

# NEWTOWN SHAMROCK SHUFFLE 5K

## SATURDAY, MARCH 14, 2026

### ARE YOU READY?!

We are hard at work gearing up for a fantastic event on Saturday, March 14th, and we wanted to share a few important details with you.

**Have your IDs for Bib Pick-up and on Race Day! All participants must present a valid ID at bib pickup. Valid ID is also required to receive complimentary beverages at each participating establishment.** Runners who are under 21 will receive a complimentary soft drink.

With a larger field of runners, expect longer lines at pickup on race morning. **Race day bib pick up begins at 7:30am till 8:50am at the Temperance House.** Road closures are expected, so we recommend arriving no later than 8:15am. The race will begin promptly at 9:00am.

We strongly encourage any runners in the area to attend one of our Early Bib Pick-up events listed below. If you are picking up for another runner, **you must have a copy of their ID.** EVERYONE must also have ID on event day to receive complimentary beverage at participating establishments.

Please have your bib number on hand when you come to pick up! To locate your bib number, please refer to the [Runner Bib Lookup](#) feature or your RunSignUp Account.

**Runner Parking** Public Parking: In addition to on-street parking, there are two municipal parking lots available. One is located behind the stores on S. State Street between Washington and Centre Avenues (behind Isaac Newton's), and the other is on S. State Street off Centre Ave (behind Starbucks). The time restrictions vary on State Street between Penn Street and Greene Street and attention should be made to specific signs. Time zones vary from 30 minutes to two hours maximum. Time and space restrictions are also posted on Washington Avenue, Centre Avenue and Penn Street between State Street and Court Street. [ADA Parking Map](#)

There will be **NO PARKING** allowed on North State Street, which will be closed starting at 6:30am and there will be no access to parking lots on N State St. *If you do park on N. State Street or any roads within course you will not be able to move your car until race is over and all runners are off the road.*

There will be **NO** gear check. We recommend using an arm band to secure your minimum belongings.

All runners will receive their finisher shirt during bib pickup. You will receive the shirt in the size that you registered for which is marked on your bib. *There will be no changes in size.*
