

**Plan subject to change without notice.
Construction may vary from artwork.**

An architectural line drawing of a two-story house. The house features a central portico with three columns and three doors. The main body of the house has a gabled roof with decorative brackets under the eaves. There are large arched windows on the ground floor and smaller circular windows in the gables. The drawing is set against a light blue sky with clouds and green bushes at the base. A red rectangular area is visible in the bottom left corner.
