UV Antibacterial Technology Kills 99.9% of Bacteria for Pure, Safe Water

MODEL	AHP-A8
Input voltage	220V
Power	2200W
Input water pressure	01-0.3Mpa
Water temputure	25°C-100°C
Heating water capacity	25L / h
Material	Food grade ABS
Product size	378*68*369mm
Product colour	Black or White
Item	Hot water dispenser
Warranty	1 Year
