Commercial Solutions

We're here to help, when you need us most.

How can we help you today?

These five simple words epitomise the Maxi Blue experience. No more chasing contractors, follow-up calls, or no-shows. Just a firm commitment to servicing your needs and solving your problems. We understand the importance of efficiency and reliability in managing your property needs, and we pride ourselves on our proactive approach and dedication to customer satisfaction. This is the Maxi Blue approach. Tell us how we can help you today

Business Continuity

How efficiency creates better experiences.

By investing our time to understand your needs, challenges, and asset intricacies, we are able to provide higher levels of quality and service while minimising disruptions and delays. Our commitment to efficiency and business continuity is reflected not only in how we operate our own business but also how we treat your business. A win-win scenario.

How our values define our service

It's not what we say. It's what we do, and how we do it.

Respect

Respect is the cornerstone of every decision we make in our business, and how those decisions impact our clients, industry and community. We believe that respect is best communicated through our actions, and best measured by how these actions improve people's lives. Respect for your time, your assets and your business is the foundation upon which we deliver on our mission: "To provide responsive, reliable and resourceful services with minimum disruption to our clients, every day."

Responsiveness

Our emphasis on responsiveness underscores our dedication to promptly solving customer problems, enabling us to build strong long-term relationships with confidence. We are committed to being there, wherever and whenever you need us.

Reliability

Our focus on reliability ensures clients across commercial, residential, and government sectors can depend on us to deliver quality services, on time and on budget. We achieve this through investment in process improvement, staff development and technology.

Resourcefulness

Resourcefulness drives innovation and out-of-the-box thinking, providing creative solutions that effectively address client needs, solve complex problems, and improve customer outcomes.

Mission

As a **Dulux Accredited Painter** Maxi Blue upholds the Dulux Accredited Painter Program Charter of Values.

Scheduled Maintenance

Maximise Your Asset Value. Minimise Disruption.

As we build knowledge around your needs and assets, we will work with you to design a tailored scheduled maintenance program. This program is specifically designed to cater to your unique requirements and timelines. The benefits of a well-structured maintenance schedule include:

Prolonged Lifespan of Work

- Regular maintenance ensures optimal condition and extends asset life, reducing costly repairs.

Cost Benefits

- Scheduled maintenance addresses issues early, avoiding unexpected expenses.

Aesthetic Appeal

- Consistent upkeep maintains property aesthetics, positively reflecting your brand.

Maximised Asset Value

- Regular maintenance preserves the value of your assets, ensuring they remain in peak condition and retain their worth over time.

Minimised Disruption

- Our maintenance schedules fit seamlessly into operations, reducing downtime and ensuring business continuity.

By collaborating closely with you to understand your unique needs and the intricacies of your business and assets, we can craft a customised maintenance plan that aligns with your expectations. This personalised approach ensures your investment is safeguarded, and your operations remain uninterrupted.

Our Customer Service Promises

How we strive to deliver exceptional service.

- 1 We commit to responding to your enquiries promptly, eliminating the need for follow-up calls.
- 2 We will ensure reliability in delivering premium-quality painting and property services.
- 3 We will conduct ourselves with the utmost professionalism, treating every client with the respect we ourselves expect.
- 4 We will provide transparent pricing with no hidden fees and recommend solutions that best meet your needs and budget.
- 5 We will deliver our work with the highest quality, in the safest, cleanest, most time-efficient manner.
