Commercial Solutions

We're here to help, when you need us most.

How can we help you today?

These five simple words epitomise the Maxi Blue experience. No more chasing contractors, follow-up calls, or no-shows. Just a firm commitment to servicing your needs and solving your problems. We understand the importance of efficiency and reliability in managing your property needs, and we pride ourselves on our proactive approach and dedication to customer satisfaction. This is the Maxi Blue approach. Tell us how we can help you today

Business Continuity

How efficiency creates better experiences.

By investing our time to understand your needs, challenges, and asset intricacies, we are able to provide higher levels of quality and service while minimising disruptions and delays. Our commitment to efficiency and business continuity is reflected not only in how we operate our own business but also how we treat your business. A win-win scenario.

How our values define our service

It's not what we say. It's what we do, and how we do it.

Respect

Respect is the cornerstone of every decision we make in our business, and how those decisions impact our clients, industry and community. We believe that respect is best communicated through our actions, and best measured by how these actions improve people's lives. Respect for your time, your assets and your business is the foundation upon which we deliver on our mission: "To provide responsive, reliable and resourceful services with minimum disruption to our clients, every day."

Responsiveness

Our emphasis on responsiveness underscores our dedication to promptly solving customer problems, enabling us to build strong long-term relationships with confidence. We are committed to being there, wherever and whenever you need us.

Reliability

Our focus on reliability ensures clients across commercial, residential, and government sectors can depend on us to deliver quality services, on time and on budget. We achieve this through investment in process improvement, staff development and technology.

Resourcefulness

Resourcefulness drives innovation and out-of-the-box thinking, providing creative solutions that effectively address client needs, solve complex problems, and improve customer outcomes.

Mission

As a Dulux Accredited Painter Maxi Blue upholds the Dulux Accredited Painter Program Charter of Values.

Scheduled Maintenance

Maximise Your Asset Value. Minimise Disruption.

As we build knowledge around your needs and assets, we will work with you to design a tailored scheduled maintenance program. This program is specifically designed to cater to your unique requirements and timelines. The benefits of a well-structured maintenance schedule include:

Prolonged Lifespan of Work

- Regular maintenance ensures optimal condition and extends asset life, reducing costly repairs.

Cost Benefits

- Scheduled maintenance addresses issues early, avoiding unexpected expenses.

Aesthetic Appeal

- Consistent upkeep maintains property aesthetics, positively reflecting your brand.

Maximised Asset Value

- Regular maintenance preserves the value of your assets, ensuring they remain in peak condition and retain their worth over time.

Minimised Disruption

- Our maintenance schedules fit seamlessly into operations, reducing downtime and ensuring business continuity.

By collaborating closely with you to understand your unique needs and the intricacies of your business and assets, we can craft a customised maintenance plan that aligns with your expectations. This personalised approach ensures your investment is safeguarded, and your operations remain uninterrupted.

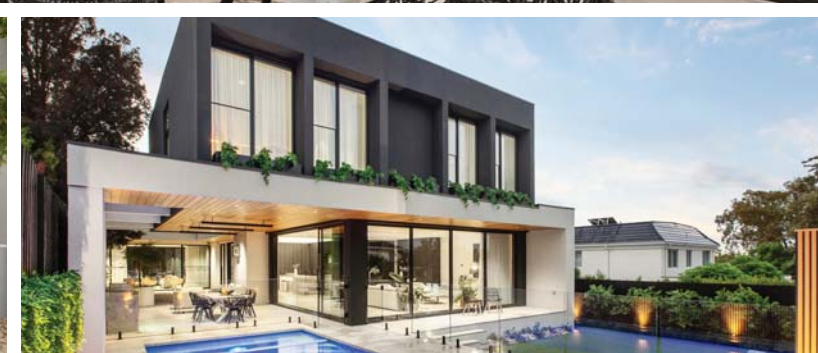

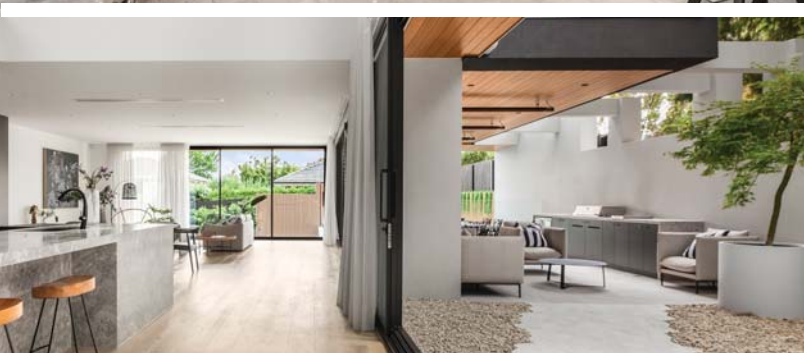

Our Customer Service Promises

How we strive to deliver exceptional service.

- 1 We commit to responding to your enquiries promptly, eliminating the need for follow-up calls.
- 2 We will ensure reliability in delivering premium-quality painting and property services.
- 3 We will conduct ourselves with the utmost professionalism, treating every client with the respect we ourselves expect.
- 4 We will provide transparent pricing with no hidden fees and recommend solutions that best meet your needs and budget.
- 5 We will deliver our work with the highest quality, in the safest, cleanest, most time-efficient manner.

The Future of Painting and Property Services

The Economic Benefits of Sustainability

Why responsible environmental management makes sense for customers.

At Maxi Blue, we prioritise effective environmental management in our day-to-day operations. By managing resources efficiently, reusing unused materials, and training staff in proper paint application procedures, we significantly reduce waste and manage costs. Additionally, our commitment to responsible eco-friendly waste disposal and recycling minimises the risk of contamination. Our extensive range of eco-friendly and low VOC options from Dulux exemplifies our dedication to sustainability. This commitment not only benefits the environment but also provides substantial advantages to our customers.

A win for you. A win for the planet.

Our Commitment to Responsible Environmental Management

It's our daily actions that have the greatest impact.

Low VOC Paints

- When possible, we recommend low or zero VOC (Volatile Organic Compounds) paints to reduce harmful emissions and improve indoor air quality.

Paint Usage

- We accurately measure and mix paint to minimise excess and wastage.

Implement Efficient Application Techniques

- We train our staff in techniques that ensure even and thorough application, reducing wastage and the need for excessive coats.

Proper Disposal of Waste

- We adhere to eco-friendly waste disposal methods to prevent environmental contamination.

Recycle and Reuse Materials

- We recycle leftover paint and materials and when possible, reuse supplies to minimise waste.

Sustainable Products

- We select products that are sustainably sourced and have minimal environmental impact.

Water-Based Products

- Where possible, we opt for water-based rather than solvent-based products to reduce the release of hazardous chemicals.

Source Locally

- We prefer to purchase materials from local suppliers to reduce transportation emissions.

Home Safe. Every Day.

Our commitment to workplace safety.

At Maxi Blue, our commitment to health and safety is central to our operations. Our comprehensive safety protocols and continuous improvement strategies ensure a safe working environment for our employees, clients, and the community.

Safety Culture

Safety is at the heart of our culture. Our management teams promote safety initiatives, encouraging staff involvement in safety discussions and hazard reporting. Our supervisors and managers are trained as safety leaders, fostering a proactive safety culture on every site.

Processes

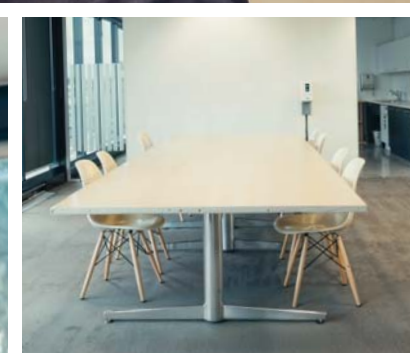

Our processes are designed to maintain the highest safety standards. We utilise the latest technology and best practices to in every aspect of our operations.

Training

At Maxi Blue, continuous training is vital for a safe work environment. Our programs cover all aspects of health and safety. Regular sessions ensure employees have the necessary knowledge and skills. By investing in development, we maintain a healthy, happy and safe workforce.

Safety for All

We extend our safety commitment to our clients and the community. Through continuous improvement and innovation, we strive to set new benchmarks in safety standards, prioritising the well-being of all. Our team, our clients, and our community.

Management

The commitment and expertise to deliver on our promises.

Respect for our past. Enthusiasm for our future

The Maxi Blue journey and how we got to where we are today.

2011 | Maxi Blue Launch

Maxi Blue establishes its first commercial relationship with Edgestone Developments, setting the foundations for a new standard in customer service within the painting services industry.

2013 | Major Commercial

Building on the previous experience with smaller commercial projects, Maxi Blue starts capturing the attention of larger commercial clients for their innovative approach to painting services.

2014 | Asset Management

A strong grasp of the budgetary and operational requirements and an increased capacity to service the needs of facility managers, Maxi Blue establishes an Asset Management Service team.

2016 | Expansion

Identifying the need for a single point of contact for multiple projects, Maxi Blue wins a large contract to provide a broad range of services across Automotive, Education and Medical.

2017 | Large Scale Epoxy

Working closely with Dulux to minimise downtime and cost of Epoxy Floor Coatings in the automotive industry, Maxi Blue wins contracts with Werribee VW, Nissan and Mitsubishi.

2019 | Epoxy Growth

Maxi Blue wins major contracts from local food manufacturer, seeking more personalised and responsive services compared to large corporate competitors in protective coatings.

2022 | State-wide Growth

Maxi Blue extends its state-wide services, delivering a full range of coatings services at 5 days notice covering Mildura, Warrnambool, Sale and Albury.

2024 | Sporting Stadiums

Seeking a reliable contractor able to work around home and away game fixtures, Maxi Blue provides patch and painting services to one of Victoria's largest AFL stadiums.

2012 | Maxi Blue Commercial

Maxi Blue builds on its early wins and learnings within the painting services industry to actively grow its book of commercial clients.

2013 | 24/7 Rectifications

Maxi Blue launches 24/7 rectification services to meet the need for higher levels of responsiveness within the painting services industry, further growing their book of clients.

2014 | Protective Coatings

Recognising the complex processes of larger competitors, and a need for reliable and responsive services, Maxi Blue wins a large commercial contract at Station Pier for protective coatings.

2016 | Dulux Accreditation

Committed to elevating the customer experience and building on the knowledge of Australia's leading paint brand, Maxi Blue engages directly with Dulux as an Dulux Accredited Painter.

2018 | Maintenance

Maxi Blue wins maintenance contracts across various banking, retail and hospitality spaces across Melbourne, establishing plastering, caulking and carpentry teams to meet client needs.

2021 | Regional Services

Maxi Blue establishes regional services to support the needs of signage installers working with some of Australia's largest retail brands.

2023 | Commercial Growth

Maxi Blue wins contract with one of Australia's largest Asset Management groups, seeking a reliable, go-to contractor for Commercial Facilities Maintenance.
