IMMEDIATELY!!**

Stadium Arrival

Please do not arrive before the advertised driver gate opening times, this makes it difficult for staff to access the site and does not help relations with our local residents.

Drivers - Upon arrival, please ensure you leave names of any additional people in your group at the drivers gate if their name has not been left they will be redirected to the turnstiles.

There are no additional vehicles permitted into the pits

There are no saving spaces. if you want to park together please arrive together. The pits are challenging at Bradford, please do not make the staff's life even harder trying to park you. Please park where directed.

Once you have parked up please sign on in the pit office, you cannot be scrutineered until this has been done.

South Stand

Patrons who choose to go in the South Stand must have purchased an upgrade ticket online or at the drivers gate. Anyone found to be trying to sneak into the hospitality stand, action will be taken.

Pits

Please take care when driving in the pit area, it is a congested area please stick to the walking pace limit. Anyone found speeding in the pits will be loaded and reported to the board of control.

We appreciate it is a tough turnaround at times, so if you are working please speak to officials a decision will be made by Race Control about time that can be allowed. This decision is based on timings where we are for the evening overall.

Pit Slope & Grandstand Access

YorStox want to be very clear, any team member who attempts to enter the track for any reason via the grandstand or by making their way down the pit slope without permission the driver will be loaded up.

Lining Up

When called please line up in the holding area, once the last car has been released from the holding area we will be going with the next race. Do not risk missing out!

On Track

One Direction of travel
