OUR MISSION

To join with families in creating a meaningful service and everlasting memorial which celebrates every person's family, friends, career, and life's passions.

A few things that make us different….

- WE CELEBRATE LIFE: We partner with you in co-creating a life celebration that truly tells the story of your loved one and what they were passionate about. Every life has a story. A funeral is not just a day in a lifetime; it is a lifetime in a day.
- MORE OPTIONS: We provide more options than any other firm because we serve a diverse clientele who appreciate a variety of options. We package these simply to make it easy for you to choose the plan that best fits your needs.
- PRICE AND VALUE: We understand that we only get one chance to perform our work sensitively and correctly. There are other funeral homes that proclaim low prices but cut corners with staff, facilities, and procedures. We attract and retain the best staff possible – our people consistently provide outstanding care to those we serve. Our facilities are new and easily the best in the Middle Tennessee area. Every family we serve receives an after-care visit along with a follow-up survey and we are proud that families overwhelmingly report they would call us again. These responses confirm the importance of giving people quality and value for what they spend.
- SERVICE PLUS: With all our service plans we provide Service Plus. See the last page for a list of items included.
- BEFORE THE TIME OF NEED: We provide free assistance with pre-planning. You also have the security of our price guarantee by funding your plan. This allows you the peace of mind of knowing your plan is protected from price increases and inflationary trends. If you prefer, you may simply record your wishes with us and allow the cost to be paid at the time of need. Every family is entitled to receive our FREE family service-planning guide.
- AFTER THE FUNERAL: The services we offer after the funeral are equally noteworthy. We provide a valuable after-care package that includes materials on coping with the grief process, a list of details to take care of after the funeral, and information about veterans and social security benefits.
