Cone Funeral Home Payment Options

Cone Funeral Home has been proudly serving the families of Bowling Green and Warren County since 2011. We have found that the families we serve want to know their financial options concerning funeral arrangements. A clear understanding of our payment policy makes matters concerning the funeral or memorial service easier.

All financial arrangements for the funeral or cremation service must be settled prior to any public announcements or arrangements by Cone Funeral Home. Because of the Federal Truth in Lending Laws, Cone Funeral Home is unable to provide in-house financing or monthly payment arrangements. You may wish to contact your personal financial institution to provide financing if one of the following options will not meet your needs. Feel free to speak openly with your funeral director concerning these confidential matters.

Option 1: Pre-Paid Funeral Contract

Funds deposited in The Funeral Funding Trust of Kentucky or in a pre-need burial insurance that is current and in good standing.

Option 2: Cash or Check

Full payment by cash or check is expected and due in full on the completion of the funeral service contract.

Option 3: Credit Card

We do accept Visa, Mastercard, American Express, and Discover cards. There is a 4% convenience fee added to the total purchases.

Option 4: Insurance Assignment

Payment with the assignments of valid insurance by the current beneficiary from a company that will confirm information to the funeral home and cooperate with any pay proceeds to the funeral home as requested. As with any small business, we value the time spent with our families and therefore outsource the time-consuming process of some insurance claims to a third party. They charge a minimum fee for their services; this fee is passed on to the families without any mark up.

ESTATES

Due to the uncertain time frame with estates, we will not invoice estates. If an estate is established, you will be responsible for the payment of the funeral expenses through one of the above payment options.
