- Working through a swim set that could focus on endurance or speed

Example Weekly Focus:

Monday – Wilm Tuesday – Midd	Wednesday – Wilm Wednesday - Midd	Friday – Wilm Thursday - Midd	Saturday
Drill Introduction	Kick & Speed	Drill Review & Building	Racing!
We focus on drills to start and then work on repeating the skills while swimming.	We start off with a strong kick focus and then apply it to our swimming at speed.	We review the skills learned Monday and build off of them with new drills.	We focus on racing off the blocks to simulate a meet environment.
