Your Spa Day

Customize Your Day

Groups of 4 or more are invited to choose one of our 60 minute services. This includes massages, facials and body treatments as described on the following pages. Add-ins (additional services included in your service time) can be accommodated, but add-ons (additional services added to your service time) can only be accommodated as our schedule allows. If anyone in your group would like a 90 minute service, please make that request to our spa concierge and they will be able to discuss your scheduling options with you.

Spa Rentals

Half or whole day spa rentals are available by request as our schedule allows. For an additional fee, you will be able to enjoy the spa without interruption from other guests. This is an excellent option for larger parties or more intimate group outings.

Food & Drink

At this time, no outside food or drink is allowed in the spa. We currently stock light packaged snacks in our lounge with our beverage bar of coffee, tea, water and lemonade. We also offer Signature Lavender Mimosas by the glass as well as Prosecco and Champagne upon request. A boxed lunch menu is available for groups to pre-order. Please ask the spa concierge for more information and availability. And, of course, we'd be happy to help your group book a reservation at Castle Farm Restaurant. (Guests consuming alcohol must be 21 or older.)

Special Occasions

We strive to make your spa experience truly unique. Please include your reason for joining us and we will work with you to surprise your friends and loved ones by adding some distinctive detail to your special day!

PLEASE NOTE: We do not allow guests under 18 for any treatments.
