TKC Signature Facial

Inspired by our organic garden, experience a customized botanical-enriched facial designed to promote deep relaxation while delivering visible results for all skin types. Naturopathica's performance-based skincare solutions combine the healing properties of plants, vitamins and enzymes to nourish, hydrate and revitalize skin. 60 or 90 Minutes (Included in the 90 minute facial is our relaxing Hand and Foot Treatment.)

Ultra Hydrating Facial

Nature's cure for thirsty, depleted skin. This facial utilizes a layering process of Naturopathica's deeply hydrating botanical blends to replenish skin. Enzymes smooth and hydrate to improve texture. A nourishing facial massage promotes circulation followed by a Manuka Honey firming mask to restore skin radiance and protect it from environmental elements.

60 Minutes

Rejuvenation Enzyme Facial

Experience the power of enzymes to deeply exfoliate and penetrate the skin to revive radiance through a targeted treatment. This ritual uses the iS-Clinical system to assist with skin congestion and texture. A cooling gel mask will leave your skin supple and feeling rejuvenated. Not recommended during pregnancy.

60 or 90 Minutes (Included in the 90 minute facial is our relaxing Hand and Foot Treatment.)

Radiant Express Facial

A clinically active treatment from iS Clinical also known as the legendary, 'Fire & Ice' facial, is designed to rapidly and safely resurface the skin. This treatment involves the combination of warming and cooling sensations that will help your skin feel refreshed and invigorated while aid in reducing fine lines and wrinkles, smoothe, soften and encourage cell turnover.
