Bowling Etiquette...

Etiquette and sportsmanship are winning partners in any sport in the game of tenpins, a code of etiquette has been established and accepted by bowlers everywhere. Few of its rules are official, but bowlers should be courteous and give consideration at all times to the rights of other participants, including avoiding delaying the game by taking unnecessary time.

1. Prepare to take your turn promptly on the lane. Be ready to bowl when the pins are set.
2. While keeping score, turn scorekeeping over to someone else before it is your turn to bowl.
3. Do not take too long to aim or get set up when you are on the approach.
4. Stay on your own approach at all times. Return to the back of the approach after making each delivery.
5. Observe one-lane courtesy. The bowler on the right should bowl if both reach the approach at the same time. Step to the back of the approach while you wait and indicate to the adjacent bowler that you are going to bowl after he/she does.
6. Do not use another player's ball, except with his/her permission.
7. Good bowling requires concentration and excessive noise is distracting to them. When a player is ready to bowl, give him/her the courtesy of making his/her shot without any interference, as you will want the same courtesy when it is your turn to bowl.
8. Be ready to bowl, but wait until the pinsetting machine has completed its cycle and the sweepbar is raised. Otherwise you may damage the ball or machine.
9. Respect the equipment. Getting the ball out on the lane is good bowling, but lofting hurts your game and damages the lane.
10. Play the game to win, but be a gracious loser if you are on the short end of the count when the game is over.
