As members of this community, we have always believed it is our responsibility to guide families through one of the most difficult times in their lives with compassion, honesty, and respect. We never believe in pressuring families toward decisions with which they are not comfortable. Instead, we are committed to providing quality services, affordable options, and fair, competitive pricing.

What sets our funeral home apart from many others is our perspective. To us, this is not simply a business — it is our family serving yours. Payment Policy

The loss of a loved one is never easy it can be devastating and impacts judgment. We understand the importance of a meaningful service and we're here to assist in any way. When it comes to making funeral arrangements, it is important to keep with your loved one's wishes. It is also important to be realistic in respect to funeral expenditures. For your convenience, we have established the following payment policy to meet the needs of all the families we serve.

Our funeral home needs to be made aware of Life Insurance, as well as Insurance Assignment, Burial Reserve accounts not made with our funeral home (Ex. advance payment made with other funeral home or your personal bank) or any kind of savings assignments.

Upon verification of Insurance and Reserve funds you have the option of paying the **total expenses by the day of the scheduled service or credit will be extended for fifteen (15) days following the service. A Minimum of \$1,600.00 on all cremations and \$3,000 for traditional services down payment must be paid by cash, check, or credit card on the day of arrangements. If payment is made in full by cash, check, or credit card prior or by the day of scheduled services, our funeral home will deduct \$120 from the total expenses. (Veterans are excluded from Early Payment discount due to 10% off caskets and \$200 of any cremation service).**

Acceptable payment options are by **cash, check, MasterCard, Visa, Discover, and American Express.** All forms of payment will be made regarding the total contractual price on the statement of funeral goods and services. When the **financially responsible party** resides outside of the Commonwealth of Pennsylvania, the funeral home requires payment to be made in full by the **day prior or the day of scheduled services.**

By offering this payment policy to our families, we try to make it as easy as possible for you to pay for the services which we provide, and you select. We now offer **affordable financing.**

We respect the budgets of all the families that we serve, so please do not hesitate to tell us that there are limited funds to pay for the funeral that you desire. We will work with you to keep it within your budget. If you have any questions regarding our payment policy, please do not hesitate to contact us.
