Student Spotlight : Caleb Scudder

THIS MONTH IN FORESTRY AND HORTICULTURE, STUDENTS IN MR. MAC AND MR. DAVIS'S CLASSES TOOK ON A MEANINGFUL PROJECT THAT COMBINED HANDS-ON LEARNING WITH SERVICE TO OTHERS. TOGETHER, THEY CONSTRUCTED A BRIDGE THAT NOW CONNECTS CTE LANE TO THE SOUTH SIDE OF THE GREENHOUSES. THIS IMPROVEMENT NOT ONLY ENHANCES THE FUNCTIONALITY OF THE AREA BUT ALSO PROVIDES SAFER AND MORE CONVENIENT ACCESS FOR OUR HANDICAPPED STUDENTS. PROJECTS LIKE THIS HIGHLIGHT THE IMPORTANCE OF CAREER AND TECHNICAL EDUCATION, WHERE STUDENTS GAIN REAL-WORLD SKILLS WHILE MAKING A LASTING IMPACT ON THEIR SCHOOL COMMUNITY.

Homecoming Week in CTE

George County High School proudly embraced the spirit of Homecoming with a lively and energetic High School Musical theme. From the moment the decorations went up to the final whistle on the football field, the entire campus truly had their "head in the game."

It came as no surprise to see our Health Science I students "bop to the top" under the guidance of Mrs. Havard. Dressed in their scrubs and showcasing professionalism beyond their years, these students embodied the idea of being "dressed for success," and reminded us that the future of the medical field is bright.

The celebration wrapped up with the Rebel football team living out the motto "we're all in this together". Their teamwork led to a dominate 13-0 victory over Stone County, closing out the week on a high note. The win not only highlighted their dedication but also tied perfectly into the idea that when we stand together as one, success is inevitable.

George County High School continues to shine, both in the classroom and on the field. This year's Homecoming was a perfect reflection of our students' talent, commitment, and school spirit proving once again that we are, indeed, "all in this together."

UPCOMING PROJECTS AND EVENTS:

* Mums For Sale

Horticulture will be selling mums starting in October. Call (601) 508-0831 for size and price.

* 8th Grade Tours

Tours begin October 3rd and will continue throughout the school year.

The Rebel Corner

The Rebel Corner Coffee Shop is officially open for business and can be found in Mrs. McDoniel's room. Every Friday, teachers may use the shared sign-up sheet to schedule a time to bring their classes throughout the day.

The menu offers a variety of choices, including hot and iced coffee, flavored sodas, and refreshing lemonades something for everyone to enjoy.

More than just a place to grab a drink, the Rebel Corner Coffee Shop serves as a valuable hands-on learning experience. Through this project, students in Business and Marketing are gaining real-world skills in customer service, money management, and entrepreneurship, making it an incredible addition to our school community.
